The Reverend Henry A. Privette

Reverend Privette is a man with a heart for the lost and a heart for missions. We of the Atlantic Association have witnessed the fruits of his untiring dedication and most able leadership. The Association has grown from 32 churches with 8,887 members to its present size of 38 churches and missions with 10,595 members. Under his leadership we have realized a dream of being housed in one of the most beautiful and functional associational centers in the state. His love for the people and the churches of the Association has engendered a most Christ-like spirit of harmony and love among those of the Association.

We give thanks to God for the services of the past 19 years of Reverend Henry A. Privette, Director of Associational Missions, Atlantic Baptist Association. In gratitude and love we do hereby dedicate these minutes to him.

CONSTITUTION AND BY-LAWS

PREAMBLE

We the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, Jones, and Onslow in the State of North Carolina do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I—NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II—PURPOSE

Section 1: It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

ARTICLE III—MEMBERSHIP

Section 1: The Association shall be composed of co-operating Baptist churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

Section 2: The Association shall determine its membership and may receive or reject churches according to the Constitution and By-Laws of the Association.

Section 3: Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

Section 4: Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

ARTICLE IV—MEETINGS

Section 1: The Association shall meet annually on Thursday and Friday after the fourth Sunday in October. A Semi-Annual Meeting will be held on the fourth Thursday in April for the purpose of electing the Associational Council, the transacting of miscellaneous business, and an Association program emphasis. The newly elected Council will plan a year's work and submit a budget request in advance of the annual meeting, at which time this Council will begin active service.

Section 2: Special meetings may be called by the Moderator upon written request by any representative group or by the Executive Committee providing two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

Section 3: Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less than three (3) nor more than ten (10) messengers. In addition to these, the pastors of member churches shall serve as messengers. These shall constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the annual and semi-annual meetings of the Association.

ARTICLE V—AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this Association has no authority over the churches. Relationships are strictly cooperative in practice and advisory in nature.

Evening Session — October 29, 1981

1. Rev. William Voorhes, Moderator of the Association, called the 98th Annual Session of the Atlantic Baptist Association to order.
2. Rev. John Thompson, Associational Music Director, led the messengers in singing "Leaning on The Everlasting Arms."
3. Rev. Robert Baker, pastor at Fort Barnwell, read scripture from Ezekiel 37:14 and led in prayer.
4. Rev. Ray Howell, host pastor, welcomed the body to the Pollocksville Baptist Church, "the place of our birth." It was on April 9, 1882 when the Pollocksville Baptist Church was organized; therefore, in April 1982 Pollocksville will be celebrating its Centennial. In 1884 the Atlantic Baptist Association was first organized at Pollocksville. In the Associational Minutes of 1940 it states "A special number was rendered by a quartet composed of Miss Julia Whitty, Miss Louise White, Mrs. B. C. Parker, Mrs. Dalton Cox with Mrs. H. M. Hines accompanying." It was our pleasure to have Miss Julia Whitty playing the piano and Mrs. (H. M.) Lurley Hines playing the organ. Rev. Howell requested that we note in the Minutes that Pollocksville has played a large part in the Association.
5. Rev. Voorhes asked each new pastor and his wife to stand and introduce themselves. Those in attendance were Rev. Stephen Harris and his wife, Ann; Rev. Robert Rogers; and Rev. Dave Wilder and his wife, Sandra.
6. Rev. Elwin Melton, Chairman of the Program Committee, called the messengers' attention to the printed program in the Book of Reports. The Membership Committee report was added to the Committee

reports scheduled for Friday morning. Rev. Melton moved that the printed program with the one addition be the program for both the evening and morning sessions of the 98th Annual Meeting of the Atlantic Baptist Association.

7. Rev. H. A. Privette drew attention to the Summary of the Digest of Church Letters in the Book of Reports. The total receipts gain should be $298,702.

He presented the official flag adopted by the Executive Committee. The flag was designed by the Moderator and made by the W.M.U. ladies and would be carried in a procession at the North Carolina State Convention the following week.

8. Rev. Voorhes appointed the Registration Committees. Those for Pollocksville were Joyce Howell and Brenda Halstead. The Davis Committee was composed of Joe Davis, Viola Davis, Dena Salter, and Aleeze Salter.

9. Rev. Clyde Baucom, Chairman of the Budget and Finance Committee, recognized the members of the committee as Milton Laughton, Sr., P. A. Kelly, M. D. Ingram, Garland Morris, and Clyde Case. He drew attention to the report in the Book of Reports and moved that this be adopted. This was seconded and carried.

10. Rev. Clyde Baucom, Chairman of the Ordination Committee, said there was no need for this committee to meet for any church throughout the entire year.

11. Rev. Voorhes called attention to the Treasurer's Report in the Book of Reports. A motion was made to accept it as printed. This was approved after proper second.

12. Rev. Voorhes announced that 28 churches were represented at the evening session with 103 registered messengers, 60 visitors, and 10 alternates.

13. Rev. John Thompson led the body in singing "Count Your Blessings."

14. William Poole spoke briefly about the Homes for the Aging. This is their 31st year in service. It is hoped that nursing care for persons under the age of 65 can be made available in the near future.

15. Rev. Johnson referred the messengers to the Evangelism Report in the Book of Reports. He reminded the body of the "Here's Hope" Crusade to be held March 14-28. He urged the churches and pastors to commit themselves to this and to set aside a Sunday to have a Search Program. He moved the adoption of the Evangelism Report. This was seconded and approved.

Rev. Johnson introduced the speaker for the evening, Rev. Richard Everett.

16. The Pollocksville choir presented a trio and a choir selection, "My Lord Is Near Me All The Time," for special music.

17. Richard Everett brought a message entitled "Here's Hope in The Church."

18. Rev. Voorhes entertained a motion to adjourn until the following morning at the Davis Baptist Church. This was seconded and approved.

Morning Session October 30, 1981

19. Rev. Voorhes called the Morning Session of the 98th Annual Meeting to order.

20. Rev. John Thompson led the congregation in singing "When We All Get to Heaven."

21. Rev. Gene Alexander, pastor at Woodville, read from I Corinthians 13 and led in prayer.

22. Rev. Bruce Hill, pastor of the host church, welcomed the 98th Annual Session of the Association and invited the body as guests for lunch.

23. The Moderator called for the associational organizational reports. Rev. Privette called the messengers' attention to the Church Training report in the Book of Reports. This is one area where the Association gained members. He made a few brief comments about Equipping Centers

and "M" Night. There was a motion to accept this report as printed. This was seconded and approved.
24. Mrs. Dorothy Loftin, W.M.U. Director, was recognized. She drew our attention to the associational flag. Margaret Taylor purchased and hemmed the material and Bob and Shirley VanderSys did the art work and put it together. The W.M.U. is receiving the money for Christmas for the North Carolina Correctional Facility in Raleigh. Bayboro and Aurora have sent in offerings. She expressed appreciation to all those who attended the Leadership Conference. She offered assistance in any way it is needed. A motion was made to accept the W.M.U. report as printed in the Book of Reports. This was approved after proper second.
25. The Moderator recognized Rev. Blair Little who drew attention to the printed Brotherhood report in the Book of Reports. He stated he was a firm believer that there is a great sleeping giant in the Association and that giant is the Brotherhood. He was thrilled that there is a giant that has potential to really serve but is disturbed that it has been sleeping so long. He was happy to see that during the past year this giant is awakening with an increase of 98 men becoming involved in Brotherhood. He moved the adoption of the Brotherhood report. This was seconded and carried.
26. Rev. John Thompson led the congregation in singing, "He Lives."
27. The Moderator recognized Rev. Clyde Case. Rev. Case brought a message entitled "Here's Hope for The Christian."
28. Rev. Voorhes recognized Rev. James Hartley for the Sunday School Report. Rev. Hartley referred the messengers to the Summary Digest of the Uniform Church Letters in the Book of Reports and made mention of the decrease in baptisms, present membership, Sunday School enrollment, and Vacation Bible School enrollment, not only for this year, but for the past years. A new emphasis is mounting and will go into effect next year. This is the 8.5 by '85 emphasis (8.5 million by 1985). To date 7.4 million people are enrolled in Sunday School with an increase of 1.1 million people. This is an approximate 15% increase for us. If we now have 100 enrolled in Sunday School in 1985 we should have 115 enrolled. He encouraged each church to adopt a similar goal. Another suggestion was one new Sunday School member per month or per quarter. This is not a one year, one shot method, but is an ongoing goal and ongoing process so Sunday School might begin to stop decreasing and begin to increase in enrollment. Rev. Hartley encouraged the Association and each church to begin thinking about this and schedule between now and 1984 a major emphasis in the churches to have a Sunday School growth campaign.

A motion was made to accept this report as given. It was seconded and approved.
29. The Moderator recognized the Director of Missions, Rev. H. A. Privette. Rev. Privette asked Rev. Voorhes, designer of the associational flag, to explain the colors of the flag. Rev. Voorhes said the blue background represents the Atlantic Ocean. The sand colored "A" represents the sand of the beaches. The "A" with the word "Atlantic" printed on the crossbar and the Southern Baptist Logo in the center symbolizes the Atlantic Association. Rev. Privette explained that Rev. Voorhes would be carrying this flag in a procession of flags at the North Carolina State Convention the following week.

Rev. Privette shared that he had attended his first associational meeting at Davis and that two family members had served the Davis Church as pastors.

Mr. Privette expressed his distress over the losses in Sunday School membership and baptisms. He encouraged the churches to enlist a Missions Committee and study what can be done. He referred the messengers to the Mission Action Guide in the Book of Reports.

Rev. Privette thanked the churches who ministered to the migrants and resort missions.

He said 150,000,000 people are unchurched yet four out of five churches had no growth. He quoted Acts 1:8 and reminded us that we must witness wherever we go on a one-to-one basis. Rev. Privette

continued with his personal testimony. He asked Rev. Voorhes to share with the congregation what it has meant to himself and to the Temple Church and to those to whom they have ministered by starting the mission at River Bend.

Rev. Voorhes said this was a frighteningly, exciting year at Temple by stepping out on faith. They found it scary as they saw their numbers go down and they were sending some of their best folks, 17 families, to begin worshipping at River Bend. Also, many members were on an extended vacation from Weyerhaeuser for six months. They felt God was in this and began their first worship services in July. Offerings had been low all year yet, after 17 families who were the best supporters had left, offerings picked up. They were then offered a piece of property valued at $150,000-$162,000 for $25,000. This has been paid for entirely. In June the average Sunday School attendance was 212 at Temple; in July it dropped because of the families leaving. The last of October there were 202 in Sunday School plus 29 in Sunday School at the mission.

Rev. Privette thanked Rev. Voorhes for sharing this information and challenged the churches to do the same.

He referred the messengers to the Director of Missions' Report in the Book of Reports and moved that this be adopted as printed. This was seconded and approved.

30. The Moderator called for miscellaneous business.

31. Rev. Clyde Baucom was recognized. He made a motion that the Association pay no more than .20¢ per mile to workers coming to the Association for special training sessions. This was seconded.

Rev. James Hartley amended the motion to pay a minimum of .20¢ per mile limit and keep it on an equal basis with the State Convention. Vote was called for on the amendment. It was seconded and carried.

The original motion as amended was voted on. It was approved.

32. The Moderator recognized Rev. Pat Kelly. Rev. Kelly encouraged the churches to give their pastors a 10% increase of the total package for retirement.

He made a motion that at the next Executive Committee meeting the Executive Committee evaluate the comments made by him and if they so deem fit that they seek a volunteer worker on the Association volunteer staff to be acquainted with the retirement of all church staff and be acquainted also with active and non-active ministers and their financial situation and that this person act as a liaison between churches and pastors. This was seconded.

Rev. H. A. Privette made an amendment to include an Annuity representative. After proper second this was approved.

The motion as amended was approved.

33. Dr. Sam Harvey was recognized in the place of Rev. Floyd Crompton for the Memorials Report. The body was asked to stand and bow their heads reverently while Dr. Harvey read the names of those listed on the Uniform Church Letter and lead in prayer.

34. Mrs. Alvirada Lee was recognized to bring the following report from the Resolutions Committee.

10. Be it resolved that the Minutes of this annual session be dedicated to Rev. H. A. Privette, in appreciation of his services during the past 19 years as Director of Missions in the Atlantic Association.

TITLE PRAYER AND LOVE

11. Be it resolved that we leave this meeting with love in our hearts for our brothers and sisters in Christ, that we continue to pray for the associational leaders, pastors, and lay workers that they might have strength and understanding to continue in the great cause of winning souls.

Mrs. Lee made a motion that these resolutions be adopted. This was seconded and approved.

35. Rev. George Johnson was recognized for the report from the Nominating Committee. He referred the messengers to the Associational Directory in the Book of Reports with the omission of Rev. Clyde Case as Christian Life Director. Rev. Johnson submitted the following names of those to serve on the Committee on Committees: Rev. Joe Coggins, Chairman, Carlton Rose, Mrs. Alvirada Lee, Miss Jane Marshall Jenkins, Rev. Leland McDaniel, Garland Morris, and Rev. Bruce Hill. Rev. Johnson made a motion that these be adopted. This was seconded and approved.

36. Rev. Joe Coggins was recognized for the Committee on Committees report. Rev. Coggins read the names of those with asterisks beside them in the Committee on Committees Report as printed in the Book of Reports. Rev. Coggins moved that this be adopted. It was seconded and adopted.

37. Rev. Voorhes referred the messengers to the Executive Committee Report in the Book of Reports. He recognized Dr. Samuel Harvey for a motion from the Executive Committee.

Dr. Sam Harvey read the following resolution:

Whereas the Atlantic Baptist Association of North Carolina has been blessed of the Lord with a long Christian fellowship in service to our blessed Saviour, and

Whereas we are blessed with a new building for associational meetings for promotion and enrichment of fellowship, and

Whereas the debt of this building and facilities is easily within our reach of liquidation by December 31,

1984, the Centennial for the Association, therefore be it resolved:

1. That we recommend to the Association the setting of this as a definite goal to work toward, and

2. That we ask our Finance and Budget Committee in co-operation with our Treasurer to keep constantly before us the progress in such at all executive and associational meetings until this date.

Dr. Harvey presented this as a motion and it was seconded.

Rev. Blair Little made the following amendment to the motion.

In order to accomplish this goal it is recommended that each church agree to send 2% of their total tithes and offerings received each month to our associational treasurer. This two percent should be over and above the amount sent for regular associational budget needs. This amount should be sent by separate check in order to assist our treasurer in his record keeping.

The amendment was seconded and approved.

The motion as amended was voted on and approved. This will enable the Association to be debt free by the 1984 Centennial year.

38. The Moderator presented the Executive Committee report as printed in the Book of Reports for approval. This was seconded and approved.

39. Rev. Voorhes recognized Rev. Ray Hodge, pastor of the First Baptist Church of Kinston, as the representative for Christian Higher Education. Rev. Hodge presented some very interesting facts about the colleges and especially Wake Forest which is the only Baptist school in the world to have a full fledged medical school. He encouraged churches to include Wake Forest in their giving by indicating this desire each time money is sent to the Cooperative Program.

40. The Moderator recognized Sam Branch for the Membership Committee report that was added to the program by vote of the messengers during the Evening Session.

41. The Moderator recognized Rev. Calvin Knight, Director of Public Relationships for a report of the Baptist Hospital.

42. The Moderator recognized Marse Grant, editor of the Biblical Recorder. The messengers were requested to stand and give him a hand of thanks. Mr. Grant shared a recent survey done by Garland Hendricks that indicated 79% of our pastors - four out of five pastors - have no plans for housing upon retirement. He suggested a program of deferred housing for these pastors.

Mr. Grant shared "What I Like About North Carolina Baptists."

He also asked that we remember the Search Committee led by Tommy Payne as they seek a replacement. Mr. Grant did say he was going to request that he be able to cover the 1984 Centennial note burning of the Atlantic Association.

43. Rev. Thompson invited the wives of the pastors and their husbands to come forward to sing a special. Thirty-three pastors and spouses sang "He Keeps Me Singing."

44. Dr. Sam Harvey, Vice-Moderator of the Association and pastor of First Baptist Church, Beaufort, brought a messenge entitled, "Christ: There Is No Other Hope."

45. The Moderator entertained a motion for adjournment. This was seconded and carried.

46. The Moderator asked Rev. Bruce Hill to give instructions for dinner.

47. Rev. Stephen Harris led in the prayer of adjournment of the 98th Annual Session.

48. Everyone enjoyed a very good meal prepared by the Davis Baptist Church.

Ann McDonald, Clerk

BROTHERHOOD REPORT

Involving men and boys in missions is one of the greatest challenges facing Southern Baptist Churches. We are happy to see a renewed concern on the part of men and churches in the Atlantic Association as they seek to become more actively involved in missions and evangelism.

Your Associational Brotherhood Director attended the Key Leadership Conference at Ridgecrest, and upon returning, led in an Associational Leadership Workshop. We are very happy that Mr. Jim Whitehead has agreed to serve as Associational R. A. Director. He led the workshop for Royal Ambassador leaders.

During this church year Baptist Men's groups have been reactivated at First Baptist Church, New Bern, and First Baptist Church, Morehead City. A new Royal Ambassador chapter has been started at Smyrna. We hope that perhaps there are other new groups that have been started or will be started in the near future.

The Brotherhood is seeking to lead out in the promotion of the State Mission Offering this year. Your Director conducted a training class for State Mission Interpreters, and these Baptist Men made themselves available to go into churches to help promote the State Mission Offering. Our goal is to get every church in our Association to have a part in giving generously to this very important mission cause.

Both Brother Jim Whitehead and I stand ready to assist you in your Brotherhood program in your church. Please feel free to call on us.

--R. Blair Little, Director

BUILDING AND GROUNDS COMMITTEE REPORT

The Building and Grounds Committee was formed in the 1980-81 associational year by the Associational Executive Committee to oversee the proper maintenance and use of the building, grounds and facilities of the Atlantic Baptist Association. Three members were appointed: Dr. Donald Hadley, Rev. Elwin Melton, and Rev. H. A. Privette.

A set of guidelines for the use of the building and facilities was drawn up and approved by the Executive Committee. These guidelines read as follows:

Section 1: We hold that the physical properties of the Atlantic Baptist Association Center are a means to an end and will serve fully the intended purpose of promoting the divine mission of Christ's Church only when properly used. In order to promote the greatest use of the building and equipment in keeping with the high calling of the Lord and to provide a guide for their efficient use, it seems fitting to establish the following policy.

Section 2: The building and equipment are resources to be used to aid Baptist Churches affiliated with the Atlantic Baptist Association in accomplishing their divine mission, to aid the Association in its divine mission, and to be used in the service of meeting human need.

Section 3: The use of the building and equipment by the Atlantic Baptist Association and its organizations is considered paramount at all times. Their use shall be scheduled as follows:

(1) Meetings shall be scheduled as far in advance of their use as practicable.

(2) Such scheduled meetings will be entered on the calendar maintained in the Association Office upon requests made to the Director of Missions. The requests should designate the space desired, the equipment needed, and the purpose for their use.

(3) Requests for the use of the building and equipment shall be made either to the Association Office in person, by telephone, or in writing. Random requests made other than at the office when the calendar cannot be checked for prior schedules must be avoided.

(4) The leader of an Association's organization or group using the building is responsible for the reasonable care of the spaces and equipment used and is responsible for conserving energy.

(5) While the use of the building and equipment for Association sponsored activities is considered paramount, properly scheduled commitments may be honored for non-association organizations and groups which provide services to meet human need.

(6) Since the building and equipment are non-commercial, they shall not be used at any time for profit making purposes, regardless of the intended use of such profit.

(7) When the Association is without a Director of Missions, requests for the use of the building and equipment by Association's organizations and groups may be scheduled through the Chairman of the Property Committee.

Section 4: The Director of Missions is authorized to schedule and commit the use of the building and equipment by non-association organizations and groups provided:

(1) That such use is restricted to human service organizations and groups whose services are clearly consistent with the spirit of Christ in meeting human need.

(2) That such use does not interfere or conflict with scheduled uses by the Association's organizations and groups or with the design and purpose of the building and equipment.

(3) That such use be scheduled either in person at the Association Office, by telephone or in writing. Random requests made other than at the office when the calendar cannot be checked for prior schedules must be avoided.

(4) That the request for any on-going activities be approved by the Executive Committee.

(5) That such non-association organizations or groups pay a rental fee to cover utilities, wear, and cleaning of the building and equipment.

(6) That the liability for an accident or incident be assumed by the sponsoring organization or group.

(7) When the Association is without a Director of Missions, requests for the use of the building and equipment may be scheduled through the Chairman of the Property Committee.

Section 5: The following principles must be followed in the use of the building and equipment by both the Association and non-association organizations and groups:

(1) That its use be non-profit making in nature.

(2) That no alcoholic drinks be used in the building or on the grounds.

(3) That there be no smoking in the building.

(4) That the telephone not be used for long distant calls without the approval of the Director of Missions.

(5) That no tacks, nails, tape or etc. be put into or on the walls.

(6) That the building and equipemnt not be altered in any way.

Section 6: Any gift (s) to be used in the building as furnishings or equipment or for any other purpose becomes the property of the Atlantic Baptist Association to be used to accomplish its divine mission. No plaques will be utilized to acknowledge such gift (s) but that a record of such gift (s) will be made in the Historical Records Book along with appropriate information about the gift (s).

CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training program has responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity and Organization, and Skill Development (in performing the function of a New Testament church).

Some of the goals set for next year are:

(1) Begin five new Church Training programs.
(2) Sponsor an Equipping Center Seminar.
(3) Strongly promote the Drills and Tournaments--increase the number of churches with participants to seven.
(4) Reach 300 at our Annual "M" Night in November.
(5) Promote Baptist Doctrine Study in April.
(6) Promote Christian Home Week in May.

DIRECTOR OF MISSIONS REPORT

The year of 1981 has been a good year when compared to previous years. The new Associational Center has already proven to be a great asset to the Association. It has become the focal point of the Association as more and more people turn to the Association for what it can contribute. The Library is being used more extensively; especially have the Equipping Center modules been used by more and more churches. The filmstrips are also very helpful and constantly being borrowed by the churches.

Your Director of Missions has been busy counseling with both individuals, various committees and others, working with Pulpit Search Committees, supplying in various church pulpit needs and in special services. In all these we have sought to uphold Christ as the only hope of the world and continuously attempt to help the churches understand their role and function in the endeavor.

We believe that baptisms have increased over the preceeding year and that the churches have grown more to missions and especially associational missions than ever before. Some churches are reassessing their distribution of mission contributions and making adjustments in the mission allotments so as to provide more for associational missions.

Many churches are reaching out more than ever before. They are going to individuals and groups that have here-to-fore been ignored. Some of these include correctional centers, migrants, campgrounds, convalescent and nursing homes as well as personal witnessing to individuals. One outreach ministry that is very significant is a literacy program being carried out at the First Baptist Church, Havelock, under the leadership of the pastor's wife, Mrs. Sara Hadley. This program is especially helpful to those in our midst who cannot speak or write the English language effectively. Another project that has been a blessing is our Time Out For Mothers' program. Sponsored jointly by the First Baptist Church, Havelock, and the Cherry Point Church this program gives mothers a few hours freedom each week. We especially thank those who are conducting this program. Some drive from Beaufort, Morehead City, and New Bern to participate in it. Thanks to you. It is good to see the churches beginning to realize their responsibility, obligation, and privilege in proclaiming Christ to a lost world.

We have had one new mission begun that will soon be evolved into a full fledged church. This is the River Bend project sponsored by the Temple Church. It is interesting to note that in the past decade (10 years of the 70's) that only 21 new churches were established in the North Carolina Baptist State Convention territory. Four of these were in the Atlantic Association. We have right now 8 or 10 locations where a mission or church extension should be

conducted. It is hoped that other churches will find it possible to enjoy the thrill, enthusiasm, and the blessings of God that the Temple Church has found in establishing this new work.

I want to express my deep appreciation to the many fine and loyal associational officers and leaders who share in whatever progress and success has been made and for their loyal support and devoted service. Also, appreciation for the secretary, Mrs. John (Ann) McDonald, for her loyalty and support. --H. A. Privette

EVANGELISM REPORT

All of the Baptist churches in our Association have been encouraged to enter into the 1982 Joint Crusade. The theme will be "Here's Hope." An Interpreter's Meeting was conducted in our Association early in the year to enlighten us on this event. It is a joint effort of the North Carolina State Convention and the General Convention. I attended the Key Leadership Conference at Ridgecrest in May and received instructions concerning this forthcoming crusade. Every church is being encouraged to conduct a Lay Evangelism School before February 15, 1982. An Associational Lay Evangelism School was conducted in our Association October 15, 1981, to instruct the pastors in conducting their church Lay Evangelism School. Nineteen of our pastors committed themselves to this school, including one black pastor of the Saint John's Church in New Bern who is a member of the General Baptist Convention.

Our date for the Joint Crusade is March 14-28, 1982. It is suggested that all our churches try to have their revival the week of March 14-21 so the pastors and their evangelists can have meals and fellowship together.

"Prayer and Awakening" was the theme of the 35th Statewide Evangelism Conference held in February in Asheville, 1981. About 2400 pastors and lay persons attended this conference. The 36th Statewide Conference will be held in Greensboro, February 8 and 9, 1982. You are urged to send your pastor and as many lay persons as possible. --George Johnson, Chairman

EXECUTIVE COMMITTEE REPORT

This year (1980-81) has been an exciting and rewarding year for the Atlantic Baptist Association.

The excitement began with the completion of the new Associational Center for which we praise God. The center has been made possible through the leadership of Pat Kelly, building chairman, and those many servants who faithfully served on his and other committees. Most of all, however, we need to recognize and give thanks to God for your faithfulness in prayer and finnancial support.

Under the dedicated leadership of our Associational Director of Missions, Rev. Henry Privette, and the service of the Associational Executive Committee, forward progress has continued being experienced. The Executive Committee has met quarterly throughout the year to monitor and grade the affairs of the Association.

Official action by the Executive Committee in chronological order is as follows:

January 12, 1981, Meeting - Approval was granted to begin a piano fund with the $328.00 left from the Coastal Carolina Crusade. A Building and Grounds Committee was elected consisting of Rev. Melton, chairman, Dr. Hadley and Rev. Privette. The initial "Interpretation Meeting" for "Here's Hope Crusade" was announced and all pastors were urged to inform and encourage their members to be an active part of this crusade.

March 30, 1981, Meeting - The W.M.U. was preparing for their annual session during which they would be voting to purchase an associational van; it was decided to support in principle the idea of purchasing a van and to encourage the W.M.U. leadership to pursue this project. Guidelines for use of the Associational Center were adopted; these guidelines are available at the Associational Center.

A motion was carried to permit churches without pastors to designate some person to represent the pastor in the Executive Committee along with the lay person. An announcement was made that Dr. Hadley would be the speaker at the Semi-Annual Meeting along with brief reports to be shared by individuals concerning projects or ministries they are involved with in the local church.

June 29, 1981, Meeting - It was decided that the treasurer pay as much as he is able to pay on the indebtness of the Associational Center in order to save interest charges; this would therefore, exceed the $18,000 as budgeted. The associational flag was voted to be a blue background representing the Atlantic Ocean, an "A" symbolizing the Atlantic Association in sand color to represent sand of the beaches and the word "Atlantic" across the crossbar, in the center of the "A" the SBC logo. The moderator was authorized to appoint a Centennial Committee. The Executive Committee agreed to recommend the proposed budget at the Annual Meeting. The Missions Committee reported the establishing of the River Bend Baptist Mission sponsored by the Temple Baptist Church.

September 28, 1981, Meeting - Approval was given to requests from Victory Baptist Church for Lot Aid in the amount of $2500 and Pastoral Aid for $960; from Temple and River Bend Mission - $2400 for Rental Aid and $4800 for Pastoral Aid; from Atlantic Association for $1800 for assistance to the Director of Missions' salary. Authority was granted to the Missions Committee to act upon any further requests that come in. The moderator appointed Rev. George Johnson, Rev. Bruce Hill, Mrs. Mary Jane Wright, Mrs. Jean Woolard, Mrs. Dorothy Loftin, Mrs. Alvirada Lee, Buford Lewis, Rev. Privette and the Associational Moderator (ex-officio members) to serve as the Centennial Committee. It was decided to direct the trustees to meet with Dr. Robinson to see what action, if any, we will take on his request to purchase 25 feet of road frontage property adjacent to his business. It was decided, also, to eliminate the following pages from the printed minutes: The guidelines for the Director of Missions; all reports other than associational reports; and that the Historical Tables be printed every five years. A resolution was approved for presentation at the Annual Meeting concerning the setting of the goal of liquidating the debt of the Associational Center by December 31, 1984, the centennial year of this Association.

HISTORIAN'S REPORT

We are proud to report that progress continues in all areas of the life of the Atlantic Association. One of the most exciting things is the prospect of the Association being debt free in 1984, which will be the 100th anniversary of the Association. A Centennial Committee is already busy making preparations for this very special anniversary. You will be hearing more from this committee as the plans for the celebration are made.

Progress was made among the churches both spiritually and physically. Some of the happenings that we know about are as follows:

ATLANTIC: A new parsonage was completed in March at a cost of $115,000.00.

BAYBORO: Church float won first prize in the Pamlico County Christmas parade.

BEAUFORT, FIRST: Observed 130th anniversary.

BROAD CREEK, FIRST: Changed location to newly purchased property on State Road #24. Had 5 baptisms, Dedication Service for 14 children. Prison ministry begun. Changed the name of the church.

CAPE CARTERET: Ordination of one additional deacon; hiring of a music director.

CHERRY POINT: Participated in a campground ministry at Morehead City.

COLONY: Lonnie Scott ordained as deacon.

COVE CITY: Special dedication of all past and present gifts to the church.

MARSHALLBERG: New parsonage was paid off and dedicated in October 1981.

NATIONAL AVENUE: O. A. Adams, Jr., was ordained as a deacon. There were 19 baptisms.

NEUSE RIVER: Brotherhood organized.

ORENTIAL: Special birthday dinner for Mr. W. J. Smith, oldest member, 86 years old. Repairs to columns on porch.
PARKVIEW: Additional property purchased east of the church. Rev. Stephen Harris called as pastor.
PELETIER: Installed baptistry and enclosed area between church and educational building.
PINEY GROVE: Celebrated 150th anniversary on September 20, 1981.
SMYRNA: 152nd anniversary celebrated October 11, 1981.
TABERNACLE: Mission Sunday School started at Charles McDaniel Rest Home.
TEMPLE: Masterlife program begun; started a mission at River Bend.
VICTORY: Organized an adult choir; began a Children's Church. The church was bricked.

There were probably other events that we are not aware of. We only recorded events of the church letters. We encourage each church to write a history, if they have not already done so. In the near future, I will be contacting churches for a copy of their history so that we may prepare a history of the churches for the 100th anniversary celebration. --Mary Jane Wright, Historian

MEDIA LIBRARY REPORT

The Media Library Conferences in New Bern and Beaufort had an attendance of eleven people. Eight churches were represented.

Emphasis was placed on the need to organize a TACMO, which is: The Associational Church Media Library Organization. The TACMO can be of great help in the Association when we meet on a regular basis and can share ideas and give encouragement as needed. Programs can be planned that would train us to be more qualified in the media library ministry, not only with books, but with audio-visuals and other services as well. Leaders in our churches can become more aware of the services of an active media library in their programs. TACMO would not only strengthen existing media libraries, but seek to have media libraries in every church in our Association.

Our Director of Missions feels that TACMO can be effective. Therefore, plans are being made to have a meeting on November 7 that we may organize a TACMO. --Mrs. Joseph (Marion) Taylor

MEMBERSHIP COMMITTEE REPORT

The Membership Committee met at Colony Baptist Church at 10:30 a.m., September 21, 1981.

It recommends that the Association receive Victory Baptist Church as a full member of the Atlantic Baptist Association.

Also, it is recommended that New Hope Chapel be carried under the watchcare of the Association for another year.

We recommend that fellowship be withdrawn from Vandemere Baptist Church, as there has been no cooperation between this church and the Association for some three year period, and the pastor has written "that Vandemere Missionary Baptist Church is not one of the Southern Baptist denomination's churches. It should not be kept on your records."

No other church has requested membership.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Southern Baptists have determined that everyone in the world should have the opportunity of hearing about Jesus Christ by the year 2000. That seems not only a difficult task but an impossible task. Southern Baptists have learned to face the difficult and impossible together. The ministries of Bold Mission are bigger than any one of us. The Cooperative Program makes it possible for each Baptist to participate in every ministry of Bold Mission at home and around the world.

In eighty-one years after the Cooperative Program was adopted by Baptists in 1925, the Southern Baptist Convention approved a $90,000,000 budget including $74,500,000 for the Basic Operating Budget, $2,500,000 for Capital Needs and $13,000,000 for Bold Mission Thrust. The Basic Operating Budget is apportioned on the following basis:

Foreign Mission Board	48.40%
Home Mission Board	19.46%
Seminaries	22.22%
Radio and TV	4.56%
Other	5.36%

In 1980, the North Carolina Baptist State Convention gave 34.66% of its Cooperative Program receipts for Southern Baptist Convention causes.

One of the great challenges facing local Southern Baptist churches is the development of Christian Stewards. God has placed so much in our care to manage for Him, for His glory and for the cause which He gave His Son and for which His Son died. Much attention needs to be given to developing each member into an efficient and faithful steward. To this purpose your Association Director of Cooperative Program and Stewardship is committed. Any church needing assistance in Stewardship Development should contact the Stewardship Division of the Baptist State Convention or the Director of Cooperative Program and Stewardship of the Atlantic Baptist Association.

Churches who wish a separate report of contributions to the Building Fund (Mortgage Retirement) in fiscal year 1981-82 are requested to write separate checks and identify for "Building Fund." This will simplify the bookkeeping and ensure proper credit is given each church.

WOMAN'S MISSIONARY UNION REPORT

This has been an exciting year in W.M.U. as we hope to see a W.M.U. organization in each church in the Association. This program is called NEW W.M.U. We are pleased to report that with the help of Mrs. Lynne Talley, our area's NEW W.M.U.'er, new work is being attempted in Dover, Victory, and South Creek.

We continue to want to be of help to the already existing W.M.U. organizations, and have enjoyed our relationships with you this year. We hope you were aware of, and participated in, most of the following activities of the Associational W.M.U. leadership this past year:

-Leadership conferences conducted at Smyrna and Colony, New Bern, after officers attended workshops at Mundo Vista.

-Collection of 559 socks, 70 hair brushes and $390.11 as gifts for the North Carolina Correctional Institution for Women. Thanks for your good response!

-Baptist Women Prayer Retreat at the Associational Center.

-Acteens Overnight Retreat at First Baptist Church, Morehead City.

-GAtivity, 299 GA's and leaders from District 2 at First Baptist Church, New Bern.

-W.M.U. Associate Director participation in Bold Mission Key Leadership Conference, Ridgecrest.

-Participation in Time Out For Mothers' program.

-Four quarterly Executive Committee planning and sharing meetings.

Out of 37 churches and 1 mission we have 35 W.M.U. reporting with a total of 1,328 members.

The following are the Minutes of the Annual Associational W.M.U. Meeting:

The 75th Annual Session of the Woman's Missionary Union met with Temple Baptist Church, New Bern.

Mrs. Dorothy Loftin, W.M.U. Director, presided over the meeting, using as the theme "Take My Life" after which she led in prayer.

Mr. Privette read the names of the officers nominated and made the motion that they be accepted. The acceptance vote was unanimous.

Rev. Bill Voorhes prayed the prayer of dedication.

The past W.M.U. Directors and the church pastors were recognized.

The W.M.U. Executive Committee recommended that the W.M.U. support the purchasing of a utility van. Toni Cullum made the motion and it carried.

Dorothy explained for what and how the van would be used.

Mrs. Roger Kanouff led in the Call to Prayer.

Rev. H. A. Privette spoke on "Take My Life for Service in the Atlantic Association."

Buford Lewis rendered special music by singing, "It Is Finished."

"Take My Life for Service in the 1982 Crusade" was the title for Rev. George Johnson's comments.

Miss Suthell Walker spoke on "Take My Life for Service in Baptist Women."

The hymn "Take My Life" was sung by the body.

"Take My Life for Service in Foreign Missions" was the title for Mrs. Troy Bennett's time of sharing.

A brief history of the W.M.U. was presented by Mrs. Alvirada Lee.

Mr. Privette spoke well of the W.M.U. and thanked us for the way we cooperate with the Association and its needs. Mr. Privette asked us, "Are you answering the call?"

He also told of the 1982 Crusade when the Black and White churches will come together. The dates are March 14-28. "What can you do?" "Then do it."

The Bennetts have been on three different fields. They are now living in Kinston. Mrs. Bennett told of experiences they had on the mission field. She said she would not swap her life with any one she knew. We've known God in a very special way. A way that I would not have known Him in any other circumstances.

We are doing so little.

The women of America have so many advantages that the women of other parts of the world do not have. For instance the women of South Arabia cannot drive a car. But there is no difference in our Lord and Saviour. They are the same to each of us if we will only let Him in.

Alvirada Lee made a motion that these Minutes be dedicated to Mrs. Lucille Pate, past Associational W.M.U. Director, and Mrs. Nina Dixon for her years of service. The motion carried.

Mr. Voorhes spoke on Foster Parenting.

The meeting closed with Mr. W. D. Lee, Jr., singing, "The Holy City."

The organist was Mrs. Judy Lewis of Temple Church.

--Dorothy Loftin, Director, and Alvirada Lee, Secretary

YOUTH REPORT

The most active area for the Youth in the Association was in W.M.U. youth organizations. A GAtivity was held at First Baptist Church, New Bern, and an Acteen Overnight Retreat was held at First Baptist Church, Morehead City.

The Associational Youth Night was on March 14, 7:30 p.m. at First Baptist Church of Havelock. Highlights of the program were a movie, "Cipher in The Snow"; a play written by Marion Sykes of Cherry Point Baptist and presented by that church's youth; and a testimony shared by Coach James Thames of New Bern High School. The refreshments were prepared by the good people of First Baptist of Havelock. There were approximately 250-300 youth and adults in attendance.

Rev. David Wilder, associate pastor at Cherry Point Baptist, attended the Key Leadership Conference for Youth at Ridgecrest on May 11-13. David held two Associational Key Leadership Conferences in September.

CONSTITUTION AND BY-LAWS

PREAMBLE

We the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, Jones, and Onslow in the State of North Carolina do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I—NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II—PURPOSE

Section 1: It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

ARTICLE III—MEMBERSHIP

Section 1: The Association shall be composed of co-operating Baptist churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

Section 2: The Association shall determine its membership and may receive or reject churches according to the Constitution and By-Laws of the Association.

Section 3: Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

Section 4: Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

ARTICLE IV—MEETINGS

Section 1: The Association shall meet annually on Thursday and Friday after the fourth Sunday in October. A Semi-Annual Meeting will be held on the fourth Thursday in April for the purpose of electing the Associational Council, the transacting of miscellaneous business, and an Association program emphasis. The newly elected Council will plan a year's work and submit a budget request in advance of the annual meeting, at which time this Council will begin active service.

Section 2: Special meetings may be called by the Moderator upon written request by any representative group or by the Executive Committee providing two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

Section 3: Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less than three (3) nor more than ten (10) messengers. In addition to these, the pastors of member churches shall serve as messengers. These shall constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the annual and semi-annual meetings of the Association.

ARTICLE V—AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this Association has no authority over the churches. Relationships are strictly cooperative in practice and advisory in nature.

ARTICLE VI—OFFICERS AND THEIR ELECTION

Section 1: The officers of the Association shall be: the Moderator, Vice-Moderator, Clerk, Treasurer, Director of Sunday School, Director of Church Training, Director of Woman's Missionary Union, Director of Baptist Men's Work, Music Director, Auditor, Historian, Parliamentarian, and Director of Missions.

Section 2: The officers, with the exception of the Director of Missions, shall be elected on the last day of the annual meeting for a term of one year. The nominees shall be contacted and nominated by the Committee on Nominations (Article XI, Section 2). Committee nominations shall not preclude nominations from the floor.

Section 3: The MODERATOR shall be elected annually and shall not be eligible to succeed himself after serving two full years. He shall be an ex-officio member of all committees and organizations. He shall preside over the meetings of the body and appoint the Committee on Registration. He shall be chairman of the Executive Committee. Whenever possible he shall serve as fraternal visitor of the churches throughout the year.

Section 4: The VICE-MODERATOR shall preside at the pleasure of or in the absence of the Moderator and shall be vice-chairman of the Executive Committee.

Section 5: The CLERK shall send annual report forms to the churches at least a month before the Association's annual meeting; distribute at the annual meeting copies of the digest of these reports; make an accurate record of the proceedings of the Association's annual session; supervise the printing and distribution of the annual minutes to participating churches; and keep on file copies of the annual minutes and documents of the Association. He shall serve as secretary of the Executive Committee and Associational Council.

Section 6: The TREASURER shall receive and handle all funds in the name of the Association; disburse the same upon instruction from the Association or its Executive Committee, or as designated in the budget; render an accurate report of receipts and disbursements and distribute same at the annual meeting, at regular meetings of the Executive Committee, and a monthly report for the associational newsletter. The books shall always be kept up-to-date and available for examination by any responsible person.

Section 7: The AUDITOR shall make an annual audit of the treasurer's books at the end of each associational year (September 30), and report to the Association in session, or as otherwise directed by the Association or Executive Committee.

Section 8: The HISTORIAN shall collect and preserve historical data on the Association and the Churches, and shall make a written report to the Association of pertinent events in the life of the churches since the last annual meeting.

Section 9: The PARLIAMENTARIAN shall advise and assist the presiding officers of the Association with respect to all matters

involving proper parliamentary procedure in accordance with ROBERTS' RULES OF ORDER, NEWLY REVISED.

Section 10: DIRECTOR OF MISSIONS:

(a) He shall promote the work of the Association and Denomination, co-operating with the churches, the pastors, and the associational committees and organizations.

(b) He is the administrative officer of the Association and carries out the program of the Association as directed by the Association or the Executive Committee.

(c) He is responsible for the evaluation of all programs, seeking to counsel with the Association regarding their effectiveness. He shall assist in the planning and execution of methods to strengthen or improve all of the work.

(d) He is ex-officio member of all committees and organizations; also, he shall serve as public relations director, promoting the work through news media and other available means.

(e) The Director of Missions shall continue in office until terminated by mutual consent or request by either party.

ARTICLE VII—DEPARTMENTS

Section 1: The Association shall promote a program of teaching, training, mission activity, stewardship, and evangelism through the following departments: Bible Teaching (Sunday School), Church Training, Woman's Missionary Union, Baptist Men, Music, and such other departments as may be needed or added by the Association or its Executive Committee.

Section 2: Each department or its council shall meet quarterly to plan, evaluate, and promote the work of the department in the Association in cooperation with the respective departments of the Baptist State Convention.

Section 3: Each department shall endeavor to train its respective officers so that they might know their respective duties and be able to guide these respective departments in the churches. It shall institute and maintain a program of training designed to reach and assist the churches in maintaining and improving the level of teaching, training and outreach.

Section 4: Department leaders shall seek to lead the Association in the work of their organization according to the achievement guides and standards set by the Southern Baptist Convention and its respective agencies, or as directed by the Association. The director of the associational music department shall serve as director of music for the Association and its organizations when called upon and shall have charge of the music program for the Association or the Executive Committee.

Section 5: Each department with the exception of the Woman's Missionary Union shall, in cooperation with the Committee on Nominations, enlist and nominate its chief officers for approval by the Executive Committee not later than the quarterly meeting in July. These officers in cooperation with the Committee on Nominations shall enlist the other officers including department directors for presentation to the department meeting not later than September 1, or the last meeting of the year. Upon approval or amendment by the department, the slate of officers and workers shall be presented by the Committee on Nominations for election by the Association at its annual meeting. Those nominated shall serve along with the incumbent workers until election at the annual meeting. In the event of vacancies, these shall be filled temporarily by the department for the remainder of the year.

Section 6: The Woman's Missionary Union shall select a nominating committee from its ranks and enlist its officers and leaders for the presentation to the annual meeting of the W.M.U. in April. 1. Dr. Sam Harvey, Vice-Moderator, called the Ninety-ninth Annual Session to order in the absence of the Moderator at the Calvary Baptist Church, Beaufort, Thursday evening, October 28, 1982.
2. Rev. John Thompson, Music Director, led the body in singing, "Leaning on the Everlasting Arms."
3. Rev. Jack Franks, pastor at Sealevel, read from the 13th chapter of Hebrews and led in prayer.
4. Rev. Robert Rogers, host pastor, welcomed the messengers and visitors to the Calvary Church. He announced a time of fellowship after the meeting.
5. Dr. Harvey recognized the new pastors and their wives. They were: Rev. Gerald Harrelson and wife, Sue, pastor of Aurora; Charles Allard, pastor of Morehead City, First; Joe and Edith Larrimore, New Bern, First; Alvin Morgan, mission pastor at River Bend; and Jack Franks, pastor of Sealevel.
6. Rev. Elwin Melton referred the messengers to the program in the Book of Reports and called attention to four additions:
-Scripture and prayer for Thursday night was led by Rev. Jack Franks;
-Adjournment by Rev. Michael Lee;
-Friday morning, scripture and prayer by Rev. Alvin Morgan; and
-Adjournment by Rev. Wint Hale, Jr.

On behalf of the Program Committee which consisted of Rev. John Thompson, Rev. Elwin Melton, and Rev. Mike Hinson, Rev. Melton recommended and moved the adoption of the program for the 99th Annual Session of the Atlantic Baptist Association. The motion was properly seconded and adopted.
7. Dr. Sam Harvey appointed the Registration Committee. Ann Parkin, Mary Laughton, Eleanor Patterson, and Beulah Rolison served during the evening session; Jean Woolard served as chairman of the committee for the Friday session.
8. Buford Lewis presented the report of the Centennial Committee. He recognized the committee members as Buford Lewis, Mary Jane Wright, Rev. Bruce Hill, Dorothy Loftin, Jean Woolard, Dr. Don Hadley, and Rev. Blair Little. The committee was given authority to expand itself or to increase its number as needed. The committee is in the process of making plans for the observance of the associational centennial celebration in 1984. The theme will be "A Century of Serving Christ." The celebration of our 100 years of cooperation will be kicked off at the Annual Meeting on October 27 and 28, 1983, with various events including a slide presentation of spiritual and historical achievements in each church. A special speaker is being sought for the Semi-Annual Meeting. It is hoped that Rev. Guthrie Colvard, past Associational Director of Missions, will be able to come. On October 21, 1984, there will be a special celebration at the Havelock High School at 3:00 p.m. in the afternoon. Each church will be given opportunity to present a flag in a parade of flags. Booklets will be made available containing a photograph and history of each church. The celebration will continue at the Annual Meeting on October 25 and 26, 1984. A motion was made to adopt the Centennial Committee's report. It was seconded and approved.
9. Mr. George Griffin gave the Treasurer's report. He referred the messengers to the Treasurer's Report in the Book of Reports. Twenty-nine thousand five hundred dollars was paid toward the mortgage on the associational building this year leaving a balance of $52,914.97. He made a motion that it be adopted. The motion was seconded and adopted.
10. In the absence of the Budget and Finance Committee chairman, George Griffin was asked to give an overview of the changes in the budget. After doing this, Mr. Griffin made a motion that the

budget be adopted as proposed. This motion was seconded and adopted unanimously.
11. Dr. Harvey referred the messengers to the Ordination Committee Report in the Book of Reports.
12. Dr. Harvey announced 156 messengers were registered for the evening session.
13. Marion Taylor, Media Director, shared facts about The Associational Church Media Organization (TACMO). James Rose, Media Consultant from Nashville, came last November to aid in preparation for organizing a TACMO in the Atlantic Association.
14. Mr. Sam Branch, Chairman of the Membership Committee, referred the Messengers to the report in the Book of Reports and read it to the body. Mr. Branch added that the New Hope Church had actually applied for membership into the Association two years ago rather than last year as stated in the report. He recognized the committee members as Leland Garner, Rev. Joe Coggins, and O. K. Gainey. Mr. Branch made a motion that this report be adopted as corrected. It was seconded and approved to accept the First Baptist Church of Broad Creek and to drop the New Hope Church permanently or until such time as the church saw fit to meet the standards suitable for acceptance as a member of the Association.
NOTE: At this point, a clarification needs to be made concerning the proceedings of the Annual Meeting last year, 1981. At that time the Membership Committee recommended that we receive the Victory Baptist Church as a full member of the Atlantic Baptist Association. It was recommended that New Hope Chapel be carried under the watchcare of the Association for another year. The committee recommended that fellowship be withdrawn from the Vandemere Baptist Church. It also recommended that First Baptist Church of Broad Creek be accepted under the watchcare of the Association. A motion was made and seconded and the recommendations were unanimously approved. This action was inadvertantly omitted in the 1981 Minutes. The Clerk regrets this error.
15. Rev. Privette spoke briefly about the need for some changes in the Constitution. Mr. Privette had drawn up a rough draft and had spoken with Mr. A. W. Edwards, chairman of the Constitution Committee, concerning this need. A committee meeting was called with only Mr. Edwards attending. It was decided to print copies and mail to each pastor and each Executive Committee member. Mr. Privette suggested that the messengers take the newly revised Constitution home, read it and come back to the Friday session ready to discuss the revised changes and either reject or adopt them.
16. Dr. C. R. Pittard asked the Vice-Moderator to recognize the members of First Baptist Church of Broad Creek. The members present stood and were recognized.
17. Rev. John Thompson led the body in singing, "Battle Hymn of the Republic."
18. The speaker, Rev. Charles Petty, Executive Director in Governor Hunt's office on Citizens' Affairs, was introduced by Rev. H. A. Privette.
19. Rev. Charles Petty spoke on "What the Community Expects of the Association."
20. Dr. Harvey entertained a motion that we adjourn until Friday morning at Spring Garden Baptist Church. The motion was seconded and carried.
21. Rev. Michael Lee, pastor of Cape Carteret, led in prayer.

Morning Session October 29, 1982

22. Dr. Harvey called the 99th Annual Session of the Atlantic Baptist Association to order at the Spring Garden Baptist Church, October 29, 1982.
23. Rev. John Thompson led in the singing of, "Stand Up, Stand Up for Jesus."

24. Rev. Alvin Morgan, mission pastor at River Bend, read Romans 12:1-9 and led in prayer.
25. Rev. Blair Little, host pastor, welcomed the body and invited everyone to stay for a barbecue lunch after the morning session.

BROTHERHOOD REPORT

The challenge of involving men and boys in missions is constantly before us. I am deeply concerned that we are not experiencing a greater response to this challenge in the Atlantic Association. We need to do more to start or revive Brotherhood and Royal Ambassador units in our churches and respond to opportunities to train leaders for these units.

We had a good response to our Baptist Men's Rally. held in January at First Baptist Church of Morehead City. Rev. Boyce Brooks brought us a most challenging message.

Our state workers stand ready and eager to help you in any way to start a new Brotherhood or improve your present organization. We have available the best in printed materials to use in carrying on Brotherhood work. All these can be attained through the state office or by contacting your associational Brotherhood Director.

We will be happy to assist you in any way that we are able. Please feel free to contact us in any way we can help.

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

I. *COOPERATIVE PROGRAM*

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77—a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality.

The dream is bold. The people are excited. The mission unmistakably stands before us. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

Let every church in the Atlantic Baptist Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

II. *STEWARDSHIP DEVELOPMENT*

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs and money management materials are available to help churches in planning and conducting these activities through the Stewardship Commission of the SBC. The materials cover the broad areas of stewardship education, (giving and money management), missions, budget development and promotion, and accounting (proper handling of the church's money).

It is recommended that every church:

1. Encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. Accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
3. Seek to increase its budget income during the year.
4. Develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. Elect and train a stewardship committee to assist the church in developing Christian stewards.
6. And that the Association assist the churches in accomplishing their tasks of developing Christian stewards by providing information, a conference explaining the stewardship resources available to the churches, and a resource person to help the churches.

--Rev. Elwin Melton, Director

DIRECTOR OF MISSIONS REPORT

The Associational Missions work in the Atlantic continues to grow, slowly but surely. One outstanding factor is that the Baptist people are becoming more and more aware of their own Jerusalem. Around us, almost as if overnight, has grown to be one if not the largest mission field in the state or even beyond.

It is like a mushroom that springs up in the night and when day comes, there it is, especially in the Havelock area. Havelock now is the largest town in the Association with nearly 20,000 people, New Bern second with slightly over 16,000 and Morehead City with approximately 12,000. These towns continue to spread like wildfire with 2,500 new living units planned for the next few years in Havelock alone. The Cherry Point Air Station continues to expand with added personnel.

Tourism has increased many fold and thousands upon thousands seek recreation on the finest beaches on the Atlantic coast.

The tragic thing is that we have not kept pace with this outstanding growth nor, really, have we been aware of it. Like the mushroom that grows silently in the night; behold, suddenly it was there.

The question confronting us is: Will the Baptist churches rise to this challenge or keep their eyes turned on themselves while virtually ignoring these thousands of people? We believe that God has placed this opportunity and obligation in our keeping. What will we do about it?

We presently need eight new Baptist churches in this Association. In the not too distant future, perhaps two to five years, two more are needed in the Havelock area alone. Three are needed on the coast now. These are responsibilities that God will hold us accountable for in the Judgement. He has the means to do it and meet the needs when His people move out in faith. An outstanding example is the mission church from the Temple Church at River Bend. There were those who felt it couldn't be done or that it would seriously injure local churches. Both ideas were wrong; it could be done and was done and at this very moment a lovely and spacious new building is being erected on land that is paid for and in the best location in the community. The mission has a full-time pastor. The enthusiasm and excitement manifested by the sponsoring church shows that no one has been hurt but everything has been a great blessing.

Two words by Jesus, "The harvest truly is plentious, but the laborers are few, pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest", Matthew 9:37, 38; "According to your faith, be it unto you," Matthew 9:29.

--Respectfully, H. A. Privette, Director of Missions

EVANGELISM REPORT

"Here's Hope" was the theme for our 1982 Joint Evangelistic Crusade, and our Associational Evangelism Committee gave strong leadership under the Chairmanship of the Rev. George Johnson. A four-hour seminar for pastors and other key church leaders was conducted by Rev. Johnson in the fall of 1981 at our Associational Center. Those attending the seminar then went back to their local churches to give training in personal evangelism.

The "Here's Hope" 1982 Joint Evangelistic Crusade was conducted March 14-28 in our Eastern section of North Carolina. Simultaneous revivals were then conducted in the Central section April 1-18 and in the Western section April 25 - May 9. The Baptist State Convention of North Carolina and the General Baptist Convention (Black) of North Carolina cooperated in this crusade.

Reports from the "Here's Hope" revivals indicated that many of our Atlantic Baptist Association's churches experienced real revival. Sixteen churches sent in reports of their participation. These were: Colony, New Bern First, Beaufort First, Calvary, Havelock First, Davis, Bayboro, Victory, Tabernacle, Temple, Newport, Cherry Point, National Avenue, Parkview, Trenton, and Spring Garden. There were 63 professions of faith in Christ as Saviour and Lord made during the week. Eleven joined churches by transfer of membership, and eight came by statement of previous baptism.

Many rededications of life were made during the week, and there was one commitment to special service. Churches reporting the highest number of decisions were: Beaufort First, 14; Temple, 13; National Avenue, 7; Havelock First, 7; and Cherry Point, 7. The revival spirit continued in these churches for many weeks, with other decisions continuing to be made.

Our beloved Evangelism Committee Chairman, The Rev. George Johnson, was called home to be with God while preaching a Spring Revival in Hendersonville, North Carolina, and his funeral was conducted on May 2 in Tabernacle Church. We thank God for his dedicated service across the years in our Atlantic Baptist Association.

--Dr. Samuel E. Harvey

EXECUTIVE COMMITTEE REPORT

"Thank you" seems so little to say for the privilege you have afforded me by electing me for a second term as Moderator of the Atlantic Baptist Association, but I don't know any other way of saying it: Thank you. You are a most gracious and encouraging people and I know you will give the same cooperation and support to Dr. Sam Harvey as he serves next year.

We continue being blessed in our Association by God's increasing power and under the faithful guidance of our Director of Associational Missions, Rev. Henry Privette, and the service of our Associational Executive Committee.

Official action by the Executive Committee in chronological order is as follows:

January 11, 1982, Meeting: A letter from the Trustees to Dr. Robinson was appended to the records indicating that the Association was not intending to sell the 25 feet of road frontage property adjacent to his business. The Clerk was instructed to contact the Nominating Committee about nominating a Youth Director, Royal Ambassador Director, and Annuity Director. The Constitution Committee was to be contacted to add these positions, plus the Media Library Director to the Constitution. Dr. Harvey moved to work up a prayer calendar for inclusion in our newsletter in support of Associational Missions Week. The motion was seconded and carried.

March 29, 1982, Meeting: Rev. Elwin Melton, Chairman of the Program Committee, announced the Semi-Annual Meeting would be held at Parkview Baptist Church; Dr. Cecil Ray was to speak on discipleship and Rev. Maurice Cooper from the Church Training Department was to share resources available in discipleship development. Rev. Privette announces that of 15 churches reporting on the results of the "Here's Hope Campaign" we were blessed with 61 professions of faith.

June 28, 1982, Meeting: Dr. Sam Harvey, Vice Moderator, chaired the meeting. Rev. Clyde Baucom, Chairman of the Budget and Finance Committee presented the proposed budget for the next church year to the Executive Committee for information. The Church Training budget is to be charged for Equipping Center purchases. Rev. Baucom presented a Resolution of Appreciation to the Baptist State Convention, under the leadership of Dr. Cecil Ray, and Rev. H. A. Privette for purchasing equipment for the Association. It was voted to present this resolution at the Annual Meeting. By request, the resolution is reproduced as follows:

RESOLUTION OF APPRECIATION

Whereas the North Carolina Baptist State Convention, under the far-sighted leadership of Dr. Cecil A. Ray, has budgeted and made available to the Associations at a reduction of $500.00 the latest in highly effective audio-visual and tape playing and recording electronic equipment for teaching and program aids in the churches of the Convention, and

Whereas our alert Director of Missions for the Atlantic Baptist Association, the Reverend Henry A. Privette, envisioned the need and significance of such equipment being made accessible to and available for the churches constituting this Association and has seen fit, of his own accord, to take advantage of the Convention's planned helpfulness plus a special sale price by the manufacturers, in procurring one of these items of outstanding equipment and donating it to our Association, and

Whereas this vivid unselfishness is further manifest in that he also purchased an overhead projector and donated it to our Association causing these two love gifts in behalf of our churches to mean an investment of $1,095.29 on his part.

Now therefore be it resolved:

1. That we declare ourselves to be fortunate in having such Convention leadership and that we express our genuine thanks for this projection of Bold Missions and also for the constructive response to such leadership on the part of North Carolina Baptists;
2. That we recognize and declare ourselves as having been blessed by so meaningful an expression of interest on the part of our dedicated associational leader for the past twenty years;
3. That we explicitly declare and record our deep appreciation of Brother Privette and hereby make known our sincere thanks to him for this expressed interest in the effectiveness of our churches and their programs for Christ.

Respectfully proposed to the Association
by its Executive Committee, June 28, 1982

Marion Taylor, President, Penny King, Vice-president; Gail Edge, Technical Director; Ethel Hall, Program Chairman; and Ann McDonald, Secretary; TACMO officers were presented and will serve until presented by the Nominating Committee at the Annual Meeting. A motion was made and carried to schedule a Church/Convention Dialogue.

September 27, 1982, Meeting: Mr. George Griffin reported a mortgage balance on the building of $54,924.97. Rev. Baucom reported the Ordination Committee had questioned Miss Margaret D. Bratcher who was ordained August 15 by the National Avenue Church. The clerk was instructed to contact the Constitution Committee about the totally masculine terminology of the Ordination Committee guidelines in the Constitution. --William H. Voorhes, Moderator

HISTORIAN'S REPORT

One of the most significant works this year for the historian has been the preparation for the Centennial, which will be in 1984. The committee has been meeting on a regular basis for several months now and soon hope to be able to give you details of what can be expected in 1984.

The committees, meetings and counseling done through an associational center will not show up on a historian's report, but as you read the statistics of the various churches you can see growth among the people and their outreach to others. New ministries are appearing on a continuous basis.

Some of the happenings among the churches in the Atlantic Association are as follows:

Atlantic: Completed the parsonage and it is ready for occupancy.

Aurora, First: Ordained James Carpenter as deacon.

Bayboro Missionary: Altar cross and candles were presented to the church by Mrs. Vivian Dees and family in memory of Mr. Julius Dees.

Beaufort, First: Celebrated its 131 Anniversary and purchased new property.

Broad Creek, First: Started a shut-in ministry.

Cape Carteret: Began a Girls-in-Action; ordained a deacon and called Rev. Michael Lee as pastor.

Cherry Point: Celebrated its 30th Anniversary. Became debt free.

Fort Barnwell: Restored the original bell back to the Fort Barnwell Missionary Baptist Church.

Huggins Memorial: Bricked the outside of the church; plastered the walls in the sanctuary; installed new glass stained windows, new carpet and insulated and painted the parsonage.

Morehead City, First: Called Rev. J. Charles Allard as pastor.

National Avenue: Ordained Miss Dee Bratcher to the Gospel Ministry; the church began a special ministry to the hospital by making their apartment available to families from out of town that need a place to stay while members of the family are confined to the hospital; renovated the church kitchen and fellowship hall. Drapes purchased for the fellowship hall. Church grounds were landscaped.

New Bern, First: Called Rev. Joe Larrimore as pastor and Rev. James Norris as Associate Pastor of Music and Youth. Participated in the Together We Build Program and completed renovations and relocations of the church office. James Whitehead was licensed to the gospel ministry and is now attending Southeastern Seminary at Wake Forest.

Peletier: Renovated the church sanctuary.

Pollocksville: In 1982 the church celebrated its Centennial, published a church history and presented two dramas during the Centennial.

Sealevel: Remodeled Sunday School rooms.

Tabernacle: Their pastor, Rev. George Johnson, Jr., died April 29, 1982.

Temple: Began construction on the first unit of River Bend Mission and had cornerstone laying service. Called Rev. Alvin Morgan as mission pastor. Had two persons committed to full-time ministry and one person to leave for one year with the Campus Crusade in Africa.

Victory: Completed its building and is debt free.

MEDIA LIBRARY REPORT

James Rose, our Media Library consultant from the Sunday School Board, Nashville, met with our associational media librarians and pastors in November. He told us more about The Associational Church Media Organization and how effective it can be as a ministry in our Association. He presented a very challenging message to those who were there.

Officers were selected and presented to the Executive Committee by our Director of Missions. Our first goal was to take a survey of media libraries in our Association. This was not complete but did give us enough evidence that help is needed. It is the plan of our T.A.C.M.O. to help those media libraries needing encouragement by meeting with them to give whatever assistance is needed.

Mrs. Peggy Thompson, a state trained teacher now living in Virginia, taught the book, "How to Process Media", in February. We were happy to have ten people apply for study course credit.

Media librarians are being urged to promote the new Church Study Course Record Keeping System by promoting transfer of credits from the old system to the new computerized record keeping system. A staff member can be responsible to maintain these new records.

We look forward to a closer association with other media librarians through T.A.C.M.O. --Respectfully submitted, Marion Taylor

MEMBERSHIP COMMITTEE REPORT

The Membership Committee was called together by Mr. Sam Branch, Chairman, to consider two applications for membership in the Association. Two churches, New Hope and First Baptist Church, Broad Creek, had made application at the last Annual Meeting and had been accepted under the watchcare of the Association according to guidelines of the Constitution.

After some discussion it was unanimously agreed to recommend to the Association that the First Baptist Church, Broad Creek, be accepted into the full fellowship of the Association.

It was also unanimously agreed that the New Hope Church had not met conditions either in attitude or practice that would merit acceptance into the fellowship of the Association and that the application be dropped permanently or until such time as the church saw fit to meet the standards suitable for acceptance as a member of the Association.

--Respectfully, H. A. Privette for Sam Branch, Chairman

MUSIC REPORT

Music is a very important part of worship. Every choir should try their very best to provide the best music they can. This music should set the "mood" for the sermon to follow. Every church has its very own style of music and this is great! It is best to use a variety of music so that the people in the congregation as well as those in the choir can have the opportunity to sing or hear the kind of music they prefer at least once a month.

This past year we had very good participation at the Associational "PRAISING". The Newport Church was so kind to let us use their facility. The National Avenue choir held an "all-day" choir workshop or retreat as some would call it. Several of the handbell choirs in the Association participated in the Bell Festival held at Meredith College. This was very good training. The first Baptist choir of New Bern participated in the Adult Choir Festival this year. The adult choir of Tabernacle provided two meals for a mission project to help out with the North Carolina Children's Home Foster Home Retreat at Indian Beach.

Let me encourage each church to try to have projects whether mission or educational throughout the year. If I can be of help to any church, please feel free to talk to me. I hope to set up a lending library this coming year so we can all "share" our music with each other. Many of us are already doing this...but it would be good to have it all over the Association.

--Musically yours, John Thompson

ORDINATION REPORT

The Committee on Ordinations of the Atlantic Baptist Association met August 9, 1982, in the Associational Center at the request of the National Avenue Baptist Church of New Bern for the purpose of examining Miss Margaret Dee Bratcher as to her fitness for ordination into ministries of the gospel. Pastor Clyde B. Case, Jr., and our Associational Director of Missions met with the committee and Miss Bratcher.

Pastor Case had already provided the members of the committee with a biographical resume of the candidate which helped them to realize that the committee would be meeting with a young woman with remarkable scholastic accomplishments in university and seminary work along with loyal church activities and experiences in significant leadership indicating deep Christian commitment and dedication.

Miss Bratcher was questioned as to her conversion experience and her sense of unmistakable call to gospel ministries through

Christ's churches or institutions dedicated to obedience to Christ's command "Go and teach all nations...to observe all things whatsoever I have commanded you", Matthew 28:19, 20. Questions about her faith resulted in the committee getting a deepened sense of the riches of faith in Christ and the importance of the fullest sharing of this from the fullest potential of the witnesser. Her doctrinal concepts were sound, as Baptists understand doctrines, and expressed in humility and dignified grace. Her attitude toward work with churches of our Convention and with other Christians for the cause of Christ and also this committee was beautiful in profound commitment and humility.

The committee found this to be an enriching experience evoking geniune gratitude to God that Baptists and God's Kingdom in general are the beneficiaries of so dedicated a life still in the process of more training for the Master's work. In a majority vote the committee encouraged the National Avenue Baptist Church to proceed with its plans to ordain Miss Bratcher to the gospel ministries on August 15, 1982.

--Respectfully presented, The Ordination Committee

RESOLUTIONS COMMITTEE REPORT

Whereas the Ninety-ninth Annual Session of the Atlantic Baptist Association in session October 28 at Calvary Baptist Church, Beaufort, and October 29 at Spring Garden Baptist Church, New Bern, for the purpose of reviewing the accomplishments and to formulate plans for the future. Therefore, be it resolved:

RESOLUTIONS OF APPRECIATION:

1. That we humbly give thanks to God for the many blessings received during the past year.
2. That we express our thanks to the associational directors and co-workers for their leadership throughout the year.

ROYAL AMBASSADOR ACTIVITIES REPORT

Our '82 season began with two Royal Ambassador Workshops, February 4 and March 1. During these meetings we made plans, and were updated on the sport rules and regulations for 1982.

Our first activity for the year was the Crusader Car Competition held at New Bern, First. We were pleased to send two boys from our Association to the State competition at Campbell College. Our Association was also represented there with mission exhibits made by our R. A.'s.

The first Atlantic Association Track Meet was held at the New Bern High School track with coach Howard Matthews conducting the events. We were again pleased to have eight young men from our Older Crusaders, Younger and Older Pioneers to compete in the State Track Meet held at Gardner-Webb College. Our boys were eliminated in final event of competition; we can be proud of them in the way the represented the Atlantic Association.

Our third and final event of the season was the Camping Conclave held June 11-13th at Fishers' Landing, Croatan National Forest. That weekend was filled with things to do and things to hear. We had a great fellowship and learned a lot about campcrafts. We also owe a special thanks to Buford Lewis of Temple Baptist Church in New Bern for leading our campfire sing-a-long, and Dave Wilder of Cherry Point Baptist Church who brought our Sunday morning worship service.

This year has been a reward for me to work with such great men and boys in our Association. --Respectfully yours, Jim Whitehead

WOMAN'S MISSIONARY UNION REPORT

It is a sobering fact that we are always only one generation from the eclipse of the Christian faith. The same also holds true for missions. Unless we educate our children about the great need for the good news of Christ to be preached around the world - AND - our RESPONSIBILITY to meet that need, there will be no missionaries in the next generation!

This is why W.M.U. takes so seriously the four tasks of Teaching Missions, Giving and Praying for Missions, Participating in Missions, and Promoting Denominational Concerns.

Our Atlantic Associational Woman's Missionary Union officers have tried to provide the kind of help and inspiration to each local church W.M.U. so they may better accomplish the above mentioned tasks. The following meetings were held in 1981-82.

-Associational W.M.U. Leadership Conferences, October '81, at Marshallberg and Tabernacle, New Bern

-Baptist Women's Prayer Retreat, January '82, First Baptist Church, New Bern

-Acteens Banquet, March '82, Temple, New Bern
-Annual W.M.U. Meeting, April '82, Calvary, Beaufort
-Down East GA Day Camp, September '82, Anita Earp's Yard, Beaufort

For Christmas last year the women gave $249.25 to North Carolina W.M.U. to use for gifts at the Correctional Center for Women, and $75.00 for the local Prison Fellowship to use for gifts at the Newport Correctional Facility. All this was very much appreciated.

It is my prayer that you will respond to the very capable leadership of Kay Kanouff as He calls you to serve Him through W.M.U.

--Dorothy Loftin, W.M.U. Director

YOUTH REPORT

The youth work for the Atlantic Baptist Association began in September with two Key Leadership Conferences, both of which were well attended and profitable for all.

The Associational Youth Night was held on April 17th at First Baptist Church, Havelock. The guest speaker and musician was Ken Helser from High Point, North Carolina. Mr. Helser shared his testimony of how God had led him from being a successful "rock musician" who was strung out on drugs to his present life of ministry to his Lord. He performed a number of his own compositions, and really dealt with many problems the youth of today are facing. God used Ken Helser in a mighty way in ministering to the approximately 250 youth and adults who were present. The Youth Night was preceeded by an informal sharing time at the Associational Center in the afternoon, which was also well attended and was a real blessing to all who were there.

Buford Lewis, Minister of Music and Youth at Temple Baptist in New Bern, attended the Key Leadership Conference for Youth at Ridgecrest on May 10-12, 1982, in preparation of resuming his prior position as Associational Youth Director. --David S. Wilder

PREAMBLE

We the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, and Jones, in the State of North Carolina, do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE—NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

ARTICLE III—MEMBERSHIP

SECTION 1: The Association shall be composed of co-operating Baptist churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

SECTION 2: The Association shall determine its membership and may receive or reject churches according to the Constitution and By-Laws of the Association.

SECTION 3: Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4: Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

ARTICLE IV—MEETINGS

SECTION 1: The Association shall meet twice each year. On the Thursday and Friday after the fourth Sunday in October it shall hold an Annual Meeting. On the fourth Thursday in April it shall meet for the purpose of electing the Associational Officers and Committee members, the transacting of miscellaneous business, and an association program emphasis. This meeting in April shall be called the Mid-Year Meeting. Those officers elected at the Mid-Year Meeting will begin active service at the beginning of the new associational year.

SECTION 2: Special meetings may be called by the Moderator upon written request by any representative group, or by the Executive Committee, provided two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3: Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less that three (3) nor more than ten (10) messengers. In addition to these, the pastors of member churches shall serve as messengers. These shall, along with the Director of Missions, Associational Officers, Committee Chairpersons, Trustees, and all other persons who are presently serving in an elected position on the Associational level, constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the Annual and Mid-Year meetings of the Association.

ARTICLE V—AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this association has no authority over the churches. Relationships are strictly cooperative in practice and advisory in nature.

ARTICLE VI—OFFICERS AND THEIR ELECTION

SECTION 1: The officers of the Association shall be: the Moderator, Vice Moderator, Clerk, Treasurer, Director of Sunday School, Director of Church Training, Director of Woman's Missionary Union, Brotherhood Director, Music Director, Auditor, Historian, Parliamentarian, and Director of Missions.

SECTION 2: The Moderator shall be elected annually and shall not be eligible to succeed himself after serving two full years. He shall be an ex-officio member of all committees and organizations. He shall preside over the meetings of the body and appoint the Committee on Registration. He shall be chairman of the Executive Committee. Whenever possible he shall serve as fraternal visitor of the churches throughout the year.

SECTION 3: The Vice-Moderator shall preside at the pleasure of or in the absence of the Moderator and shall be vice-chairman of the Executive Committee.

SECTION 4: The Clerk shall send annual report forms to the churches at least a month before the Association's annual meeting; distribute at the annual meeting copies of the digest of these reports; make an accurate record of the proceedings of the Association's Annual and Mid-Year Meetings; supervise the printing and distribution of the annual minutes to participating churches; and keep on file copies of the annual minutes and documents of the Association. He shall serve as secretary of the Executive Committee and Associational Council.

SECTION 5: The Treasurer shall receive and handle all funds in the name of the Association; disburse the same upon instruction from the Association or its Executive Committee, or as designated in the budget; render an accurate report of receipts and disbursements and distribute same at the annual meeting, at regular meetings of the Executive Committee, and a monthly report for the associational newsletter. The books shall always be kept up-to-date and available for examination by any responsible person.

SECTION 6: The Auditor shall make an annual audit of the treasurer's books at the end of each associational year (Septemper 30), and report to the Association in session, or as otherwise directed by the Association or Executive Committee.

SECTION 7: The Historian shall collect and preserve historical data on the Association and the churches, and shall make a written report to the Association of pertinent events in the life of the churches since the last annual meeting.

PROCLAMATION

Atlantic Baptist Associational Centennial Year 1984

"As winds stir smoldering fire into flame, so God's Spirit swept the hearts of Baptists in Eastern North Carolina one hundred years ago to inspire a cooperative effort among the people and churches of the area.

On October 24, 1884 churches were called together for the purpose of forming "THE ATLANTIC BAPTIST ASSOCIATION."

To worthily celebrate the victories, Baptists in Eastern North Carolina have enjoyed in their purpose to serve our Lord Jesus Christ. We have engaged for one year in an Atlantic Baptist Associational Centennial Year. We have listened anew to the word God is speaking to us in the scripture and world events.We constantly seek to deepen our daily experience of life in Christ. With new understanding we enter into a ministry of witness to the world. We have enjoyed Christian fellowship without barriers of race, nation or denomination--looking forward to the 100th anniversary year in 1984.

THEREFORE, WE PROCLAIM THE YEAR 1984 THE CENTENNIAL YEAR AMONG BAPTISTS IN THE ATLANTIC BAPTIST ASSOCIATION AND,

Where we shall give thanks for the fellowship we share in the mission God has given us.

We shall examine ourselves and confess and repent of those faults within us.

We shall pray that the Holy Spirit, whose fire burned in our forefathers, may give us the light and that will light every man in the world.

We urge all Baptists in North Carolina, and especially those in Eastern North Carolina, to join us in this Centennial Celebration Year--1983-1984. We will be tracing our roots of the past and we will be establishing roots for future generations."

3. John Thompson, Associational Music Director, led the body in singing, "Leaning on the Everlasting Arms."
4. Rev. Graylon Jordan, pastor at Huggins Memorial, read Acts 1:6-11 and led in prayer.
5. Rev. William Tyndall, pastor of the host church, welcomed the body and invited everyone to remain for refreshments after the program.
6. The Moderator asked the new pastors to introduce themselves. They were; Rev. Graylon Jordan, pastor of Huggins Memorial; Rev. Jay McCarson, pastor at Woodville; Rev. Larry Davis, pastor at Atlantic; and Danny Bridges, Minister of Education at Morehead City First. The Moderator welcomed these men into the Association.

The amendments were:

1) On page 3, Section 9, it was suggested that it read:

SECTION 9: Director of Missions:

1. Shall promote the work of the Association and Denomination, co-operating with the churches, the pastors, and the associational committees and organizations.
2. Is the administrative officer of the Association and carries out the program of the Association as directed by the Association or the Executive Committee.
3. Is responsible for the evaluation of all programs, seeking to counsel with the Association regarding their effectiveness.
4. Shall assist in the planning and execution of methods to strengthen or improve all of the work.
5. Is ex-officio member of all committees and organizations.
6. Shall serve as public relations director, promoting the work through news media and other available means.
7. The Director of Missions shall continue in office until terminated by mutual consent or request by either party.

2) On page 12, By-Laws, number 7 was read. It was suggested that this be handled with the same procedures as the Constitution. Dr. Hadley felt it was "too loose" as printed now.

Larrimore referred the messengers to the Christian Higher Education Reports in the Book of Reports.

Rev. Larrimore shared information about Channel 14 of Greenville which will be going on the air in May or June of 1984.

39. Rev. Steve Harris presented the following motion: "As a representative of the Parkview Baptist Church, I make a motion that the Ordination Committee of the Atlantic Association be instructed by the messengers of the Atlantic Association to not examine or recommend a sister in Christ for ordination into the Gospel Ministry." 40. Rev. John Thompson led the body in singing, "Heavenly Sunshine."

41. Mrs. Rad Bell gave the Memorial Report. She read the names from the Book of Reports of those departed loved ones as listed on the Uniform Church Letter. A motion was made to accept the report. The motion was approved after proper second.

All the churches have been contacted about the Centennial Celebration. Mrs. Dorothy Loftin is in charge of getting churches to design and make flags. Mrs. Fletcher Wright has received historical sketches from all but three churches. The committee has designed a logo which consists of "Atlantic Baptist Association, 1884-1984" above an outline of a cross, globe, and Bible with "A

Century of Service" printed below. A history of the association including histories and pictures of each church will be available in hardbound or paperback editions. Pictures of each church will be framed and hung in the Associational Center. A request has been made for $10.00 from each church to help pay for the picture and frame. A motion was made to accept this report. This was approved after proper second.

47. Dr. Don Hadley reviewed the proposed Constitution with the messengers. The primary reason for the changes was to include job descriptions. Dr. Hadley made a motion that the Constitution be adopted. This was seconded. Dr. Hadley presented the two (2) amendments that were presented at the Thursday session. Rev. Michael Hinson made a motion that the body suspend Article 13 at this meeting only to consider the amendment. It was seconded. The motion did carry. The question was called for after some discussion. The body voted in agreement to call for the question. A vote was taken on the amendment by Dr. Hadley, to delete any gender references in Article VI, Section 9: (Director of Missions). This motion was approved.

The other amendment was Article 7 of the by-laws which permits the by-laws to be changed by simple majority vote at any annual meeting which does effectively bypass both the Constitution Committee, the Executive Committee, and any other procedures. He felt that this was too "loose" and when a by-law is adopted the body is under the authority of that by-law. He felt the reading of the by-laws should be the same as the Constitution. This was made a motion. It was seconded. The motion carried.

Dr. Hadley explained the changes proposed in the Constitution. The question was called for. The body voted affirmatively to call for the question. The vote was taken on the entire document including the two amendments, the Constitution, and By-Laws as presented. The motion carried.

54. This closed the 100th Annual Meeting of the Atlantic Baptist Association.

--Respectfully submitted, Andrea McDonald, Clerk

BROTHERHOOD REPORT

We need to be constantly challenging our men and boys to become involved in missions. Brotherhood is the organization of the Baptist church which seeks to present this challenge. If your church does not have an active Brotherhood, we encourage you to work to give your men and boys the opportunities and challenges of Brotherhood.

We had a very good response to our Baptist Men's Rally held at the First Baptist Church in New Bern; however, we were greatly disappointed with the response we received from the efforts to provide a workshop for men and boys' leaders. We hope you will avail yourself of this training opportunity as it is presented this year.

We are happy that Brotherhood is going to be under the leadership of a lay leader this year. We urge you to give him your full support as he leads the Brotherhood work of our association.

CENTENNIAL COMMITTEE REPORT

Atlantic Baptist Association 1884-1984, A Century of Service

The Centennial Committee is making plans and arrangements to help the association observe and celebrate its 100th anniversary in October 1984. The associational year starting October 27, 1983 will contain several programs and projects to enable us as Southern Baptist churches to appreciate and participate in the celebration of our century of unified service. At this years annual meeting there will be a special proclamation made and a special slide presentation about the 100 year history of the Atlantic Association.

Future emphasis will be made by special speakers: Rev. Guthrie Colvard, First Associational Missionary for the Association, will speak at the Mid-Year Meeting in April of 1984 and Rev. John Privott, second to serve as Associational Missionary, at the October 1984 annual meeting. Each church is being asked to design and make a "church flag" to be used in a parade of flags in the 1984 meeting. A special drama is to be written and performed based on important historical moments of the Atlantic Association.

Mrs. Fletcher (Mary Jane) Wright is compiling and writing a complete history of the association. This will be printed into a book and made available to all those wanting to acquire a copy. There will be a photograph and historical brief of every church of the association in this book. Plans are also being made to place a framed 8 X 10 black and white picture of all the churches of the association in the Associational Center.

--Respectfully Submitted, Buford Lewis, Chairman

The committee discussed a proposed draft of the Constitution. The draft along with the existing Constitution was furnished to all members of the committee prior to the meeting.

Based upon the draft presented to the committee a final draft was approved. Upon motion it was agreed that the final draft would be presented to the Annual Association Meeting with a recommendation for approval.

The basic changes proposed in the revised Constitution seeks to clarify the duties and responsibilities of the officers and leaders of the Association and add greater representation of the individual churches to the Association and its committees.

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

Perhaps few challenges facing Southern Baptist are as great as the challenge to be good stewards. Stewardship covers every aspect of life and everything our Lord has placed at our disposal. This includes especially material resources and the gospel. Sharing the gospel in today's world on the scale that Bold Mission Thrust proposes will require the development of Christian Stewards.

Until recent years, most churches have budgeted for programs with future projections based on past experience and performance. Thus one of the major concerns was to keep the budget as low as possible. Churches are increasingly turning to Ministry Action Budgeting. The focus of concern in MAB is on ministry. This approach turns the

church's attention from the past toward the future and what the Lord wants the church to do in the way of ministry and witness to a lost and dying world. MAB is worthy of every church's consideration, for its focus is on "What does the Lord want my church to do this year?" rather than "How little do we need to operate on in the coming year?"

Your Associational Director of Stewardship is available to help any church which needs his help. The Stewardship Division of the Baptist State Convention is available to provide whatever guidance in stewardship development a church may need. Feel free to seek their help. --Rev. Elwin Melton, Chairman

DIRECTOR OF MISSIONS REPORT

The year 1983 has been a good year in many respects. The churches have become stronger and this is being reflected in the work being done. Associational officers are becoming more proficient due to extended training and the depth and calibre of those serving in places of leadership. It is not a matter of the blind leading the blind.

Churches are developing in strength and workers largely due to the training being given by the churches. We have learned that the best training is not always in workshops and seminars although they have their place and are essentially quite necessary. The churches are setting up training programs within and are given more emphasis to in-service training; after all, this is really the best and most profitable method since workers put into practice what they learn in training.

A very healthy sign is the tenure of pastors who make up the ministers group in the association. We have quality men, well trained and devoted who are leading the churches. We have several men who have served ten years or longer as pastor and many of them five years or more. This is outstanding when we are commonly aware that the average pastorate has been one and one-half years and seldom over three years. Three years were considered a long pastorate. This is certainly indicative of maturing from both pastors and churches. We know of no church at this writing that has serious problems within the fellowship. We are learning more to live with each other and face up to our problems and shortcomings and as a result work through and out of our problems. A church without internal conflicts and problems wouldn't be much of a church. The church has always faced this and always will as long as it remains productive and effective. Jesus had one traitor in twelve and the church has always had its problems and always will.

Two missions have been started. One of these at Carolina Pines is underway and doing well being sponsored by First Baptist Church, Havelock, and the Cherry Point Church. A new one is emerging on the scene at Pine Knoll Shores on Emerald Isle. This endeavor is sponsored by First Baptist Church, Morehead City, and has the potential of becoming a strong church. We are in the midst of a great mission field and we need at least eight or ten new churches in this associational area right now. We are in one of the fastest growing areas in the state or perhaps the country. We are not meeting the challenge before us. Our emphasis for the coming year will be focused on evangelism and reaching out to the unchurched.

Your support and cooperation is so very much appreciated. You are a wonderful people to serve and work with. Our efforts have been blessed of the Lord. We desperately need your prayerful support and cooperation in which might well be our hardest year in the forthcoming days, weeks and months of 1984.

--Respectfully, H. A. Privette, Director of Missions

EVANGELISM REPORT

During the past year, the main activity of motivation and instruction for evangelism was a workshop that was held as a result of the Key Leadership Conference. We discussed the different witness training programs available. The most recent tool made available to us is Continuous Witness Training (CWT). The advantages of this program

are numerous. It offers a continuing ongoing method of training which and in time train them. Another advantage is that those trained would recruit trainees and in time train them. Another advantage is that the emphasis is on demonstration by on-the-job training as opposed to classroom instruction.

Because we are losing ground in growth and baptisms while cult groups such as Mormons and Jehovah Witnesses are growing, we need the following words of motivation from D. L. Moody:

THE GREATEST PLEASURE

"It is the greatest pleasure of living to win souls to Christ; it is a pleasure that angels can't enjoy. It is sometimes a wonder to me that God doesn't take the work from the church and give it to the angels. If the redeemed saints could return, I sometimes think they would rejoice in coming back here to have the privelege of leading one more soul to Christ.

Isn't it high time that the church got awake from its midnight slumber? It is time the work was commenced, and when the Spirit of God revives it, shouldn't we go and do it?

I want to say here to the Christians that there is one rule I have followed that has helped me wonderfully. I made it a rule that I wouldn't let a day pass without speaking to someone about his salvation, and if he didn't hear the Gospel from the lips of others, there would be 365 in a year that shall hear the Gospel from my lips."

Reports are still coming on the "Here's Hope" Joint Evangelistic Crusade held in March and April, 1982. Interpretation Meetings were held across the state to suggest plans and basic thrusts for the Joint Crusade effort, sponsored jointly by the Baptist State Convention of North Carolina and the General Baptist State Convention. Churches conducted "People Search" and Lay Evangelism Schools, followed 34,266 rededications, with only 36 of our 80 associations being complete in their reporting.

"Here's Hope North Carolina" was the theme for the 36th Annual Statewide Evangelism Conference, February 8-9, 1982 in Greensboro, with 2,500 people in attendance; the best consistant attendance in recent years.

For many youth, this year a week at Caswell was the highlight of the summer, with Barry Wood teaching about discipleship during the Youth Evangelism Week. This was the year the Youth Evangelism Conference expanded to three; Asheville, Greensboro, and Chowan. These were tremendously successful meetings, with the largest number of youth ever attending.

As we move toward the time when Growing an Evangelistic Church will be our major planning tool and CWT will be the new witness training method, some pilot churches have started the programs.The Key Leadership meeting in Ridgecrest introduced the associational evangelism chairmen to Growing Evangelistic Churches in North Carolina.

The Statewide Evangelism Conference was held in Charlotte's Ovens Auditorium during February 7-8, 1983, with Dr. Wayne Ward leading Bible Study; Dr. Landrum Leavell, Dr. Bo Baker, Dr. Joe Ford preaching and Dick Baker leading the music.

On February 1, 1982, J. W. Hutchens, Jr. became the Director of the Division of Evangelism for the Baptist State Convention of North Carolina.

EXECUTIVE COMMITTEE REPORT

Your Associational Executive Committee held 4 meetings during the past year. Highlights of these meetings and actions taken and as follows:

January 10, 1983 Meeting. Dave Wilder reported on the Sunday School Enlargement/Improvement Campaign scheduled for March 12-20. Dr. Don Hadley distributed printed copies of the proposed revised Constitution. A motion was approved that the body study the proposed changes

and come to the next Executive Committee Meeting prepared to take action. It was decided to use the theme of Church/Pastor Relations for the April Semi-Annual Meeting to be held at First Baptist Church, Beaufort.

March 28, 1983 Meeting: A motion was approved to add six pages of job description to the Constitution, with the text to be included in the Annual Minutes. A motion was made to distribute copies of the Revised Constitution which was approved by the Executive Committee at the Semi-Annual Meeting, with action on it to be taken at the Annual Meeting.

June 27, 1983 Meeting: The Centennial Committee reported that plans are being made to publish a book containing histories of the churches. Rev. Pat Kelly presented the Budget and Finance Committee Report proposing a budget of $81,620.00 for 1983-84 as information. Rev. Joe Larrimore shared information about Acts of Eastern North Carolina to be carried on Channel 14, UHF, out of Greenville.

September 26, 1983 Meeting: Mr. George Griffin, Treasurer, reported that the balance of the building fund load had been reduced to $21,-719.43. We are on schedule to be debt free in 1984, thanks to the splendid support of the churches of our Association.

It has been a pleasure to serve you as Moderator during the past year. I look forward to continuing to work with each of you for the good of our Association as we enter our Centennial Year.

--Samuel Harvey, Jr., Moderator

HISTORIAN'S REPORT

As you read this report, the Centennial Committee is busy researching our past and making preparations for the 100th anniversary of the association, which will be in October 1984. Plans for next year include open house at the Associational Center, a drama, special guest at the annual meeting and the publication of a history of the association and the churches in the association. You will not want to miss out on all the festivities next year.

In preparation for the Centennial, I have spent several days at Wake Forest University in the Baptist Historical Collection gathering information for the book. I have also spent my time talking to local Baptists and doing research in the local libraries. Your response has been tremendous and we thank each of you for your cooperation in getting materials to us.

Some of the outstanding events among the churches are as follows:

BEAUFORT, FIRST: Observed its 132nd anniversary.

CALVARY: This church was organized in 1974 and this year had three state winners in Church Training Memory Work.

CAPE CARTERET: Called a Minister of Music. Had first summer youth minister.

CHERRY POINT: Began the "Pines Mission" at Carolina Pines, New Bern.

DOVER: The pastor, Perry Hardison, was ordained at the Glen-Raven Baptist Church in Kinston. Rev. Troy Deans, a native son and missionary to Taiwan, returned home on furlough.

HAVELOCK, FIRST: Development of unused property.

MOREHEAD, FIRST: Called Danny Bridges as Director of Christian Education and Youth. Started a mission on Bogue Banks known as "First Baptist Island Mission." The mission held its first meeting October 2 at the John Yancey Motel.

NEW BERN, FIRST: Renovations of church offices. Participated in the "Together We Build" program and the Sunday School Enlargement Campaign.

NATIONAL AVENUE: Ordained Reid M. Saunders as a deacon September 25, 1983. Began operation of Friendship House in October of 1982. This is a ministry that provides a place to stay for families from out-of-town that have someone in their family as a patient in Craven County Hospital.

ORIENTAL FIRST: Called Rev. James Oliver as full-time pastor.

PARKVIEW: Employed Frank Beach as Youth and Music Director.

SMYRNA: Observed 154th anniversary October 9, 1983. Sixteen people attended Home Missions Week at Ridgecrest in August 1983.

SEALEVEL: Purchased a church bus. Carpeted the Sunday School rooms and paneled the walls of the Sunday School rooms and the sanctuary.

TEMPLE: Had dedication services in November 1982 for the building at River Bend. Barry Jordan appointed as vacational assistant at Temple Baptist.

VICTORY: Organized a GA Chapter.

I am sure that many other events took place but these listed here are the only ones we have a record of at this time.

I would urge all churches to have their records microfilmed with the Baptist Historical Collection at Wake Forest. There is no charge for this service and it will assure each church of a permanent record. We have encountered several churches that have lost their records to fire in years past and this had made it most difficult to gather a history.

If you would like to have your church records put on microfilm, contact Dr. John Woodard at the following address: Dr. John Woodard, Director, Baptist Historical Collection, Wake Forest University, The Z. Smith Reynolds Library, Box 777, Winston-Salem, NC 27109.

--Respectfully submitted, Mary Jane Wright, Associational Historian

MEDIA LIBRARY REPORT

T.A.C.M.O. held quarterly meetings during the past year with an average attendance of 10. Nine churches were represented.

We have enjoyed working together and especially the opportunity to meet at Newport and National Avenue to help them revitalize their Media Library. This was a learning experience for all of us and time well spent. It is our plan to continue to help our churches organize or revitalize existing Media Libraries.

Fifteen people met at our February meeting to learn about Book Repair. There was a lot of enthusiasm as members learned the art of mending pages and restoring worn book covers.

The book "How to Classify, Catalog and Maintain Media" was taught in May. This was a much needed course and one that could be taught again to become more familiar with the methods.

Various ideas on promotion that have been used most effectively in our Media Libraries were brought to the August meeting and discussed.

We are planning on a workshop in November, at which time we plan to make posters, bulletin boards, and door hangers for the Holiday Season that can be taken back to our various churches. Our theme for the meeting will be apples and we plan to have a dinner with everyone bringing their apple specialty.

We are very proud of the growth our T.A.C.M.O. has made and are looking forward to more church libraries joing us.

--Respectfully submitted, Marion Taylor

MEMORIAL COMMITTEE REPORT

Our Beloved Departed

There are those from our churches who have passed from this life to that beyond during this past year.

They are at peace and at rest now. How do I know this? I know because they are Children of God. Somewhere, sometime they were convinced they were lost, and their only hope for Eternal Life was in Christ Jesus, the Son of God. They were miserable in their sinful life and so they began to search for Christ. We know that when we are repentant of our sins and begin to search, Christ isn't hard to find, for He has promised that if we search with all our hearts we will find Him. They found Him and they heard Him say, "I am the resurrection, and the life: he that believeth in Me though he were dead, yet shall he live: And whosoever liveth and believeth in Me shall never die." They heard Him say also, "Because I live ye shall also live." Christ

took away their fear of death and the grave.

We thank God for these witnesses, and for all others who have been in our midst. Their witness and their testimony has won perhaps some of us to Christ. Oh, how great our love has been for them, and in our selfishness, how we hated the thought of not being able to have fellowship with them daily. At times our grief and sorrow has been almost unbearable, until we remembered it will not be long before we will be reunited with them in a land where there will be no more separation, and where our God reigns supreme.

We may not understand everything about death now, but it is enough that those who have truly believed in Christ as Savior and Lord are not dead for the soul that has been reborn can never die. It is enough to know that the Savior saw that they had grown so weary that He took them to live with Him on high. It is enough to know their spirits have returned into the keeping of Him who gave them birth.

It is enough to know that we must not sit in hopeless sorrow for our loved ones who have gone. It is enough to know that we must take up the work they left unfinished, and with God's help, to carry on until we ourselves are called to that Heavely Home that God has prepared for us.

MISSIONS COMMITTEE REPORT

It's been both exciting and frustrating for your Missions Committee this year. We have been charged with the awesome responsibility of keeping mission needs before the churches of the association. In order to become more conversant of those needs we toured most of the area that makes up the Atlantic Baptist Association. During the tour we met with various pastors to discuss mission needs and mission involvement within their area.

It was exciting to hear of the many types of mission activities going on: Mother's Day Out program, bus ministries, prison ministries, literacy programs, ministry to the mentally retarded, and rest homes. It was exciting to learn some of our churches are heavily involved in the summer months at campgrounds and migrant camps. Excitement mounted as we learned of churches electing missions committees.

A long prayed for mission at Carolina Pines is now a reality being jointly sponsored by Cherry Point and Havelock First. A survey has been taken by the members of Morehead City First at Pine Knoll Shores; our prayer is that soon, they too, will be establishing a mission there.

This year your Missions Committee put our meetings to a monthly rather than quarterly basis and holding them in the afternoons rather than evenings. That frustrated us somewhat because it limited involvement on the part of some members.

We were met with frustration, too, discovering a myriad of needs and mission points yet to be reached. Disappointed, too, when given the opportunity to bring foreign missions into our homes by hosting international students this Christmas, revealed only 5 homes in the whole of Atlantic Association that were willing to serve in this way. I would pray that next year we might respond postively to this opportunity.

In a need to keep missions needs before you and the churches we sponsored a prayer-a-thon during Associational Emphasis Week. Our request is that while the prayer-a-thon cannot be an organized daily event all year through, you will "cease not to pray" for God's Spirit to move us to greater missions awareness and involvement.

--Respectfully submitted, Bill Voorhes, Chairman

SUNDAY SCHOOL REPORT

The Sunday School organization within the association Has been active this year in trying to lend support to the particular Sunday Schools of the churches of the Association. We see the Sunday School not as another organization of the church, but rather as the church itself organized for the purpose of reaching people for Bible Study, Church Membership and, above all, for Christ. The Sunday School is the church organized to do the work to which we are all called. The Sunday School, therefore, is the outreach arm of the church!

With this in mind, and with the purpose of trying to help our

Sunday Schools within the Association to be more effective, we have done the following things this year:

1. We have developed an ASSISTeam for the purpose of working with the churches of the Association. This is an Associational Sunday School Improvement Support Team, and each member is specializing in helping with a particular age group. Members are: Adult, Rev. Michael Lee; Youth, Rev. Wint Hale; Children, Rev. Blair Little; and Pre-school, Mrs. Wanda Estep.

Most of the ASSISTeam members have been away to conferences designed to help them better be prepared for this work.

2. In mid-March of 1983, we held an Associational-wide Sunday School Enlargement/Improvement Campaign which was a great success. The following churches participated: Beaufort First, Cherry Point, Fort Barnwell, Havelock First, and New Bern First. During the week, 27 new persons were enrolled in Sunday School as results of visitation on one day, and on that day 768 real prospects were discovered. About 15 new Sunday School units were established in the week or in the next several weeks. Each church participating found new directions and a new vision for their work.

3. In late August of 1983, we held an Associational Sunday School workshop at the National Avenue Church in New Bern, which was also a great success. The ASSISTeam and Mr. Wayne Corey and Rev. John Thompson served as leaders for this training event. Six individual conferences were held, and there were just over 100 participants from the churches of our Association. Church Study Course Credit towards Sunday School Leadership Diplomas was earned by each participate.

4. Your Associational Sunday School Director attended the Key Leadership Conference in Ridgecrest, training for the Enlargement Campaign on two occasions, and special ASSISTeam training.

We feel strongly that this year has been beneficial to all who have chosen to participate in the activities provided and that the work has been in accordance with the calling of Christ. Please continue to support the work of the ASSISTeam in the coming year and take advantage of each advantage we offer to you. Remember that we are about the business of helping the churches be better prepared to reach out to more and more people for Christ. Please let us help your church with your particular needs.

WOMAN'S MISSIONARY UNION REPORT

For the past three years, as part of Bold Mission Thrust, Woman's Missionary Union has placed a major emphasis on life-changing commitments. Many of us, during this time, took a look at ourselves and did not like what we saw. Some of us made changes in our lifestyles but most of us still have a long way to go.

This year began a new three year emphasis on Bold Mission Thrust. We, members of the Woman's Missionary Union, are being challenged to express a dynamic accountability for our missions involvement.

Our accountability needs to be expressed through a personal ministering and witnessing lifestyle, planned prayer support of mission concerns, personal giving for missions through the church, increased precentage of church budget allocations through the Cooperative Program and participation in W.M.U. organizations. The Woman's Missionary Union of the Atlantic Association has tried to provide the kind of inspiration and guidance needed to meet this challenge.

The following meetings were held in 1982-83:

-Associational W.M.U. Leadership Conferences, October 1982 at First Baptist, Beaufort and Temple, New Bern.

-Baptist Women's Prayer Retreat was held February 1982 at the Associational Center.

For Christmas last year our women gave over 600 socks and knee-highs to North Carolina W.M.U. for gifts at the Correctional Center for Women. All of these donations were greatly appreciated.

At present 34 churches in the association has some type of active W.M.U. organization.

It is my prayer that the Woman's Missionary Union of the Atlantic Association will continue to take seriously our dynamic accountability for missions involvement.

--Respectfully submitted, Kay Kanouff,W.M.U. Director

YOUTH REPORT

This year has proven to be a year of growth in the youth ministry of our churches. Three churches have called ministers to youth:

Frank Beach - Music and Youth - Parkview
Kathy Crowe - Music and Youth - Beaufort, First
Danny Bridges - Education and Youth, Morehead City, First

Several churches hired summer youth workers. These churches were Cape Carteret, First Morehead, and Calvary, and are to be commended for striving to meet the spiritual needs of their young people.

Our Associational Youth Night was held at Cherry Point Baptist on Saturday, July 23. The speaker was Mrs. Fran Phelps, a christian high school teacher at New Bern Senior High. The musical, The Beliver, was presented by the Cherry Point Baptist Youth Choir under the direction of Mr. Arland Bell.

A Youth Workers Equipping Seminar was held at Sealevel Baptist on June 6 in order to give volunteer youth counselors resources in youth ministry. Rev. Jamie Norris, of First Baptist, New Bern, attended the Key Leadership Conference on Youth and will be the Associational Youth Ministries Coordinator this year.

--Respectfully submitted, Buford Lewis

CONSTITUTION AND BY-LAWS

PREAMBLE

We the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, and Jones, in the State of North Carolina, do propose to establish and maintain the principles, order and rules of a District Baptist Association in conformity to the following plan:

ARTICLE—NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

ARTICLE III—MEMBERSHIP

SECTION 1: The Association shall be composed of co-operating Baptist churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

SECTION 2: The Association shall determine its membership and may receive or reject churches according to the Constitution and By-Laws of the Association.

SECTION 3: Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4: Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

ARTICLE IV—MEETINGS

SECTION 1: The Association shall meet twice each year. On the Thursday and Friday after the fourth Sunday in October it shall hold an Annual Meeting. On the fourth Thursday in April it shall meet for the purpose of electing the Associational Officers and Committee members, the transacting of miscellaneous business, and an association program emphasis. This meeting in April shall be called the Mid-Year Meeting. Those officers elected at the Mid-Year Meeting will begin active service at the beginning of the new associational year.

SECTION 2: Special meetings may be called by the Moderator upon written request by any representative group, or by the Executive Committee, provided two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3: Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less that three (3) nor more than ten (10) messengers. In addition to these, the pastors of member churches shall serve as messengers. These shall, along with the Director of Missions, Associational Officers, Committee Chairpersons, Trustees, and all other persons who are presently serving in an elected position on the Associational level, constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the Annual and Mid-Year meetings of the Association.

ARTICLE V—AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this association has no authority over the churches. Relationships are strictly cooperative in practice and advisory in nature.

ARTICLE VI—OFFICERS AND THEIR ELECTION

10. Rev. Clyde Baucom read the following recommendation from the membership Committee. A motion was made and seconded. The recommendation was adopted.

Your Membership Committee met on Monday evening, March 26 for the purpose of considering a request of the River Bend Baptist Church of New Bern for affiliation with this Association. After prayer by Rev. Henry A. Privette, Director of Missions for the Association, Rev. Alvin Morgan, pastor of the River Bend Church and a church committee consisting of John H. Gelwicks, Ernest Mozingo, and Fred Hughes, Jr. presented a copy of the constitution, by-laws, and articles of faith of the church. These were found to be in good order and in line with Baptist doctrine, policy and practice.

It was noted that this body had been an outgrowth of the mission spirit of the Temple Baptist Church of New Bern which had sponsored it as a mission for some time and had been instrumental in the procurement of a suitable building site on Highway 17 South and the erection of an attractive building thereon.

It was learned from the written application for affiliation, dated January 9, 1984, and from testimonies given and records shown that in a business meeting of the Temple Church on August 17, 1983 an amicable agreement was reached and a decision made that the River Bend Mission would become an active self-supporting Baptist Church as of January 1, 1984.

This new church having been thus formed in love for the cause of Christ, and of its own decision having made application for affiliation with the Atlantic Baptist Association as soon as its Constitution and By-laws would permit, your Committee on Membership with joy recommends that the River Bend Baptist Church be accepted under the watchcare of this Association for one year as prescribed in its Constitution, Article III, Section 3, and that in the next Mid-Year Meeting of the Atlantic Association the church be accepted into full fellowship and privileges upon recommendation of the Membership Committee at that time. --Respectfully submitted, Clyde E. Baucom, Chairman; Joseph H. Coggins; O.K. Gainey, Jr.; Mrs. Thomas (Ann) Rady; Robert V. Rogers; and C. R. Pittard - Committee

11. Rev. Joe Coggins, Chairman of the Committees on Committees, expressed his thanks to the committee for their work and the pastors and churches for accepting the positions. The names of those being elected were read (these are listed on page 17). Rev. Coggins made a motion from the Committee that these be adopted. After proper second, the motion carried.

12. Rev. H. A. Privette and George Griffin gave the Director of Missions report and the Treasurer's report respectively. Rev. Privette reflected on his move to the Association and the places where the office had been located. Mr. Griffin gave the following report:

FINANCIAL REPORT OF BUILDING FUND PROJECT FOR THE ASSOCIATIONAL CENTER

1. The first concrete financial effort to construct a suitable home for the Atlantic Baptist Association Center began in 1976 with the

acquisition of a loan of $10,000.00 from the Baptist State Convention. This loan was repaid in two increments: the first payment of $5,000.00 plus $300.00 interest on November 1, 1977 and the final payment of $5,000.00 plus $125.00 interest on May 5, 1978.
2. During 1977 the Association acquired two building lots at a cost of $32,000.00 plus $229.50 legal expense associated with acquisition and recording of deeds.
3. During 1978 intensive planning was undertaken to determine the type of structure needed and how to finance. The most significant financial event was making the final loan payment to the Baptist State Convention.
4. In 1979 progress became evident to all involved in the building and financing programs. Expenses consisted of:

Lots were surveyed, building site location was identified and the building site was cleared	$ 2,055.00
Initial payment was made to the Architect	2,809.00
Administrative Costs	144.56
	$ 5,008.56

5. During 1980 the architect completed final plans, advertisements were made for bids and a contractor was selected. Costs incurred were:

Architect	$ 3,549.00
Building Contractor	91,779.00
Furniture and Furnishings	6,667.55
Insurance: Construction Insurance +1 year following	769.00
Legal	383.00
Utility Deposits	252.00
Paving Contractor	9,565.00
Grounds work, shrubs, sign, etc.	2,667.70
	$115,632.25

6. An Open House and social were held during December 1980, and payment for this in the amount of $26.87 was made on January 5, 1981.
7. Grand Total for the total project, excluding interest was:

$152,897.18

8. The first payment on the permanent mortgage was made on 31 December, 1980 in the amount of $6,000.00. The final payment was made on 3 April, 1984 in the amount of $1,698.99. All of this was accomplished in approximately 40 months.
9. In spite of high interest rates, sometimes as much as 21-22%, the Association always met or exceeded its financial commitment to the lending institution. You authorized me to exceed the budgeted amount for mortgage retirement as available funds permitted. This resulted in minimizing interest payments, and along with outstanding generosity of our churches, enabled the Association to retire an eight year mortgage in just over 40 months. I am proud to have been a part of this successful endeavor and rejoice with each of you in a "job well-done thou good and faithful servants."

--George W. Griffin, Treasurer

Ross Manning, contractor and Alvirada Lee, Chairman of Furnishings Committee were recognized.

Mrs. Clyde Cvetko was recognized for services rendered freely since the building of the Center.

Rev. Privette asked Corbin Cooper, Moderator when Mr. Privette came to the Association, to come forward and light the match to burn the note. The note for the building was burned. Rev. Bill Voorhes, Moderator during the time the Center was being built, led in prayer.

Rev. Privette Commended George Johnson for his help in the construction of the building.
13. Rev. John Thompson led the body in singing, "There Is a Name I Love to Hear."
14. There was no miscellaneous business.
15. The National Avenue Choir sang, "How Great Thou Art."
16. Rev. Harry Crump introduced Rev. Guthrie Colvard to the body. Rev. Crump asked for a show of hands of those who were here when Mr.

Colvard was Associational Missionary. Nearly one-half the body responded. Rev. Crump introduced Rev. Colvard as the speaker for the evening. Rev. Colvard was the first associational missionary in the Atlantic Baptist Association.
17. Rev. Buford Lewis presented Rev. Colvard with a plaque from the Association which read, "The Atlantic Baptist Association gratefully recognizes the service of Rev. Guthrie Colvard on April 26, 1984 who served as Associational Missionary from 1953 - 1957."
18. Rev. Colvard asked his wife to stand to be recognized. Rev. Colvard used Isaiah 6:1-6 along with his message of beginning churches during his time here in service.
19. Dr. Harvey thanked Mr. Colvard for his message. He reminded the body of the following period to follow.
20. Rev. Marvin Haire, pastor at Davis, led in prayer.

--Respectfully submitted, Andrea McDonald, Clerk

RESOLUTION CONCERNING ORDINATION OF WOMEN - PARKVIEW

WHEREAS, the Ordination Committee of the Atlantic Baptist Association has recommended the ordination of a sister in Christ into the Gospel Ministry;
and WHEREAS, the revised Constitution and By-Laws of the Atlantic Association made a provision for the ordination of Women in Section Six:
and WHEREAS, the scripture teaches that men and women are spiritually equal (Gal. 3:28) but that there is a functional role distinction which is found in the creation order of Genesis, and applied in I Cor. 11:13 and I Tim. 2:12-14 which states that women should not exercise authority over men in the Church.
and WHEREAS the nature of ordination into the Gospel Ministry would give women the certification to serve as a pastor,
BE it therefore resolved that Parkview Baptist Church cannot support the revised constitution or the action of the Ordination Committee.
BE it further resolved that Parkview Baptist Church will designate financial support on an associational level to specific ministries until the Constitution and Ordination Committee have been charged to comply with scripture.

BUILDING AND GROUNDS COMMITTEE REPORT

The Committee is composed of three members: Dr. Donald Hadley, Roger Bell, Chairman, and H. A. Privette. This committee has carefully watched over the building and grounds. There has been no need for repairs or additions. The Building is well kept, clean, and orderly due largely to the efforts of Mrs. Clyde Cvetko, who has cleaned the building regularly for the entire four years of its existence. Associational activities have been conducted from the building for the past four years. It is utilized with steady regularity and is a great asset to the association. The building debt was liquidated in full during the year and stands today debt free as a monument to the love and devotion to Christ and the association that represents His cause. We wish to thank the churches for their support and loyality that made the building "Debt Free in Eighty-Four."

There are several pieces of office equipment that would be very desirable and helpful and we hope to attain these in the near future. We feel that the priority selection should be "missions" and we do not want anything to stand in the way of attaining this goal.

--Respectfully submitted, H. A. Privette

CENTENNIAL COMMITTEE REPORT

"A Century of Service"

The Centennial Committee has planned and carried out many projects to help us celebrate our 100th anniversary.

-A special logo to be used on associational programs and letters was designed and printed.

-Mrs. Mary Jane Wright has completed a complete history of the association. It is ready for the printers and will go as soon as the financial arrangements are finalized.

-Rev. Guthrie Colvard spoke at the Mid-Year Associational Meeting in April of 1984. Rev. Colvard was presented with a plaque for appreciation of service to the association as its Associational Missionary.

-Special gavels have been made from wood obtained from the Sandy Creek Baptist Church and the River Bend Baptist Church. These will be presented to the Association.

-A display case was purchased and placed in the Associational Center. It will contain historical artifacts, important to the association.

-Rev. John Privott, our second Director of Missions, will speak at the October 25, 1984 session of the Annual Meeting.

-Rev. H. A. Privette will speak at the October 26, 1984 session of our Annual Meeting.

-Marion Sykes, of Cherry Point Baptist, is writing and directing a drama to be presented at this Annual Meeting.

-A church flag is being made by the churches of our association and they will be displayed at this Annual Meeting.

--Respectfully Submitted, Buford Lewis, Chairman

CHURCH TRAINING REPORT

Church Training conducted only one event involving the entire association. In May of 1984, the Associational Bible Drill was conducted at the Associational Office in Havelock. Four children participated: Kristen Davis, Smyrna; Chris Noe, Beaufort; Jonathan Barnes, Beaufort; and Tina Lloyd, Temple. All qualified for the regional drills.

It is our hope that more churches will encourage their children to participate next year. Churches do not have to have established Church Training for their young people to enter the Bible Drills. All that is needed is one adult willing to work with the children.

With the coming year and the Key Leadership Conference conducted September 20, by Ms. Ruth Prince, it is hoped that more churches will be involved in some area of Church Training.

--Michael Hinson, Director

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

The larger future of Stewardship in the churches includes training individuals in the Biblical Foundation for bold living and giving.

The strength of Southern Baptists remains closely related to the cooperation of the churches in a giving program to all causes supported by the Convention through the Cooperative Program.

We have much to do in both areas: the area of Biblical Foundations for Stewardship and the Cooperative Program.

The Atlantic Association promoted with the Stewardship Division of Baptist State Convention of North Carolina a Stewardship Seminar in April, 1984 at the Holiday Inn, New Bern. Dr. Talmage Williams was the leader. These are good times for pastors to be involved.

A Good Celebration year in Stewardship to all the people of all the churches in the Atlantic Baptist Association.

--Rev. Bennie Pledger, Director

DIRECTOR OF MISSIONS REPORT

The past associational year has been outstanding in many ways but leaves a lot to be desired in many others. All of the churches have pastors but one and with only a very few exceptions there seems to be peace and tranquillity among the churches as well as the fellowship in the churches.

Much emphasis has been put on either buying new property or improving present property; at this point we do not have sufficient reports to evaluate the numbers reached for Christ and baptisms. This can be found in other reports.

We have tried to cultivate a continual concern for evangelism. It is emphasized in everything we do. It seems that the churches do not have the burden and concern for the lost that should be apparent. We try to keep constantly before them the necessity for training, witnessing, and teaching.

We had a workshop sponsored by the Home Mission Board on "Growing an Evangelistic Church," led by a staff member from the Home Mission Board. Attendance in this was disappointing. Dr. Donald Hadley, Chairman of Evangelism, attended a week-long seminar sponsored by the Baptist State Convention and Home Mission Board on Christian Witness Training.

It is our prayer that even this associational meeting might mark a new beginning in concern and practice of personal witnessing in the association.

--Respectfully, H. A. Privette, Director of Missions

EVANGELISM REPORT

The focus of the work of the Evangelism Committee this year was in encouraging the pastors of the Association in the work of evangelism. Specifically, a "Growing an Evangelistic Church" seminar was offered, which was attended by fourteen pastors. In addition, the chairman of the Evangelism Committee was asked to speak for one of the monthly Ministers' Conferences.

On another such occasion, a video cassette featuring Dr. John Tresch, professor of evangelism at Southeastern Baptist Theological Seminary, was shown to the pastors. The Committee chairman, moreover, attended the evangelism section of the Key Leadership Conference at Ridgecrest, and upon his return presented the Continuing Witness Training plan to eight laymen and pastors at the Associational Key Leadership Conference held September 20, 1984. Thanks to sponsorship by the Association, the chairman had become certified in Continuing Witness Training at a national seminar held in Fayetteville, September 10-12.

--Respectfully submitted, Donald Hadley, Director

EXECUTIVE COMMITTEE REPORT

Four meetings were held by the Associational Executive Committee during the past year. Some of the highlights of these meetings and actions taken are as follows:

December 19, 1983 Meeting: Rev. Henry Privette presented certificates of outstanding recognition to the following churches with an increase of 100% in giving to missions through the Cooperative Program from 1977-1982: Neuse River, Colony, Havelock First, Pollocksville, Smyrna, Temple, Trenton, and Woodville. Certificates of outstanding recognition for an increase of 100% in Baptisms were presented to: Smyrna, Pollocksville, Neuse River, Cherry Point, Fort Barnwell, and Havelock First.

March 26, 1984 Meeting: The decision was made to have a Note-Burning Ceremony during the Spring Mid-Year Meeting, to signify that the debt had been paid off on the Associational Building. The Executive Committee voted to have a Missions - Evangelism Conference in 1987. It will be Sunday-Wednesday in the East and Thursday-Sunday in the West. It was voted to accept the River Bend Church under watchcare and then after one year as a full member of the Association. The decision was made to participate in the Southern Baptist Simultaneous Revivals in 1986.

June 25, 1984 Meeting: Kay Kanouff reported that 173 people were in attendance at the W.M.U.'s Annual Meeting. The group voted to have the clerk's responsibilities assumed by the Associational Secretary. Rev. Privette expressed a desire to begin a ministry to the Hispanic and Japanese persons in our area.

September 24, 1984 Meeting: The decision was made to place $6,500.00 in the 1984-85 budget for the printing of the Associational Histories. As these are sold, all receipts will be refunded to the Associational Treasury. The Building and Grounds Committee was requested to study the feasibility of getting a copier for the Associational Office and bring a report to the Annual Meeting.

Thank you for your support and prayers as I have served as Moderator during the past 2 years. It has been a pleasure to work with our dedicated Director of Missions, Henry Privette, as we have paid off all debt on our Associational Building, celebrated our Centennial, and gone forward in many areas of missions and ministry.

--Samuel E. Harvey, Jr., Moderator

HISTORIAN'S REPORT

The Atlantic Baptist Association held its 100th Annual Session last October, which was the beginning of the Centennial Celebration for the Association. I was most grateful to have been a part of that historic meeting at Marshallberg and River Bend.

At the Mid-Year Meeting in April 1984, a note-burning ceremony was held to commemorate the debt free status of the Associational Center.

Personally, I have spent a very busy year gathering facts for the Associational History. I am indeed happy to report that we have been able to secure a history of every church in the association and have a picture of every church. A special thanks go to Mr. Dick Barber for taking the pictures of the churches and thanks to Mr. Buford Lewis who took pictures and did a thousand other things too numerous to mention. He has done an outstanding job serving as Centennial Chairman and is to be commended on his work.

Mrs. Roger Kanouff, Associational WMU Director, prepared a very inspiring Associational Meeting last April. Many of the ladies were dressed in their Centennial costumes.

The meeting of the Association at Tabernacle and Morehead First this October will be the last service of our Centennial observance. Many people have been involved in making these meetings very special. We are glad to have had the opportunity to look back on our past so that we can be more aware of our rich religious history and heritage.

Many of the churches have made flags which will be displayed at

the meeting on Thursday night at Tabernacle Baptist Church. Speaking of the Tabernacle Church - this church will be celebrating its 100th anniversary in 1985. Congratulations!

Some of the special activities that took place in the churches that we have a record are as follows:

BAYBORO - designed and made a church flag.

CALVARY - celebrated its 10th anniversary.

COLONY - celebrated its 10th anniversary.

DOVER - researched and prepared a church history.

NATIONAL AVENUE - paid off its building debt of $25,700.00. Repairs were made to existing buildings. A church flag was designed and made.

NEW BERN FIRST - published a history of the church. The church is in the process of renovating the sanctuary.

RIVER BEND - was constituted as a church, January 1, 1984.

SMYRNA - purchased a pastorium. Called Rev. James Buchanan as pastor, the first full-time pastor in 150 years.

SOUTH CREEK - held dedication services for Dustin Ryan Lupton.

SPRING GARDEN - remodeled fellowship hall and named it the "Beulah Dixon Epperson Fellowship Hall" in memory of the lady that gave them the land and building.

TABERNACLE - purchased additional property.

VICTORY - had a note-burning ceremony in April to celebrate debt free land and building.

WOODVILLE - renovated sanctuary during the summer of 1984. Purchased new pews, carpet and stained glass windows.

BEAUFORT FIRST - observed 133rd anniversary. Church caught fire in April.

I know that there were other significant events that took place among our churches but we did not have any record of these events.

I would urge every church to elect a historian if they do not already have one. A record of all church events and activities need to be kept.

It is my desire that between now and our next associational meeting that a workshop for historians can be held to help us to learn how to keep better records and how to keep our history up-dated.

In closing, let me remind our churches that you can have your church minutes and other valuable papers microfilmed free of charge at the Baptist Historical Collection at Winston-Salem. Contact Dr. John Woodard at the following address: Baptist Historical Collection, Wake Forest University, The Z. Reynolds Smith Library, Box 7777, Winston-Salem, North Carolina, 27109.

Thanks to each of you that have helped in any way to gather materials and to the many of you who have provided information.

--Respectfully submitted, Mary Jane Wright, Associational Historian

MEDIA LIBRARY REPORT

What is T.A.C.M.O.?

The Associational Church Media Library Organization. This is an opportunity the Church Media Libraries of our Association have to meet together quarterly - to work - to share enthusiasm, ideas and encouragement. Our aim to educate church members to minister to the needs of the people and to proclaim the gospel. Also to encourage churches to start Media Libraries if they do not have one.

This past year we had 3 meetings: November, 1983 - our theme was apples. We had a banquet of a variety of apple dishes. A workshop on promotion was held. Each one had an opportunity to be assisted in making promotional items for the Holidays. We had an attendance of 22. February, 1984 - we were honored to have Hilda Mayo, former State Media Library Director, teach us the book, "A Church Media Library at Work." This is the latest book and was a most informative study. May, 1984 - Mrs. Eugene (Gail) Edge gave a very interesting program on how to file pictures.

We plan to continue to have programs or workshops in 1985 that will strengthen and encourage those who work in the Church Media Libraries. --Respectfully submitted, Marion Taylor, President

MEMBERSHIP REPORT

The Committee received a request from the River Bend Church for admittance into the fellowship of the association. After due consideration the Committee presented the request to the association in its Mid-Year Meeting, where it was favorably received.

The church will spend one year under the watchcare of the association and if acceptable to the Committee will be accepted into the full fellowship of the association. --H. A. Privette

MISSION COMMITTEE REPORT

Your Missions Committee has been engaged in a year long project which will be spilling over into the coming year. In discovering many varied needs our churches all and/or need be involved in, we had hoped to have ready for this meeting a Missions Action Report Book. When the book is completed each church will receive a copy. The book will list various ministries and the resources available in helping churches carry out more effectively ministries involving alcohol and drugs, correctional services, economically disadvantaged, emotionally and mentally retarded persons, geriatrics, family support, language groups, resort ministries, and others.

Much work is being done in this association already, but much more needs and must be done in order for us to fulfill our mandate from the Lord.

The River Bend Mission became the River Bend Church this year (January, 1984). We congratulate them for the fine work they continue doing.

We rejoiced hearing the exciting news of progress at Atlantic Beach with the mission there sponsored by First Baptist, Morehead. This church is busy being involved in missions not only here in the association but throughout the world. Several members returned to work in the West Virginia project of building churches, and the pastor, Rev. Allard, is on the task force for Project Togo. We hope to see several persons from the association involved in that program. Three persons from Temple Baptist have applied.

We recommended to the Executive Committee and they have approved a World Missions Evangelistic Crusade to be conducted in March 15-22, 1987, in the association. Our hope and expressed intent is that this will be more than a "mission report week." We are asking the churches to structure the services as they would revival services; the missionaries are being asked to bring messages to stir the hearts to conversion, consecration, and surrendering to the call to mission service.

We are also recommending an allocation of 12,000 in this year's budget ear-marked as "Missions Work." This fund will be administered jointly by the Missions and the Executive Committees. The purpose of this money will be to facilitate our churches in the financial area of beginning new work.

We live in one of the fastest growing areas of the state. Many people are moving into our area from all over the world. Will you join with us in an effort to reach the world around us for Christ?

--Respectively submitted, Bill Voorhes, Chairman

MUSIC REPORT

Choirs are growing, more and more people are learning to read music, many, many Christians are learning to sing praises unto the Lord. I have been hearing some very good reports from different churches during this past associational year about the growth in some choirs. Some churches have started "senior adult" choirs and this is great. This seems to be a new thing in our convention. It would be good if many churches started a choir for their senior adults. They have a lot to offer and have the time to work real hard to learn music.

I would like to encourage every choir director to keep working with the young people in their church also. These people will be the future choirs of tomorrow. Let's train them the best we can. Try to do some harmony once in a while. Help them to learn rhythms. It will help them to learn note values and names.

Handbell choirs seems to be getting more and more popular. We have several in our association. If you have a set of bells....begin early with the younger children so they can learn bell ringing also.

I was very pleased with the ones who came to the "Key Leadership" Conference. We had several directors share some of their music with us. We want to begin a music library list of music in the association so we can share with each other. You will be hearing more about this. --Musically yours, John Thompson, Director

SUNDAY SCHOOL REPORT

The Sunday School team for the Atlantic Baptist Association is dedicated to helping the various churches of the Association to develop programs which will help the churches to reach more people for Bible Study, Church Membership, and most importantly, for Christ. We see the Sunday School as the main outreach arm of the church, not simply another organization within the church.

This year there was a separate group of volunteers working with Vacation Bible Schools, instead of having one team to work with both VBS and Sunday School. This represents a slight change in our Associational Leadership Team structure, and we hope a change for the better.

In our attempt to help the Sunday Schools within the Association to be more effective, we have had the following training events either for leaders within the Associational Team, or for leaders within the churches:

1. February 2, 1984: "Send-I-You Clinic" at Kinston for ASSISTeam during the day, and for individual church teams in the evening. Several of our churches were represented in the evening session, those who went for the day training later led the "Send-I-You Clinic" here in our Association.
2. May 14-16: Key Leadership Conference at Ridgecrest, attended by Sunday School Director, and Adult ASSISTeam Leader, Rev. Danny Bridges for training in preparation for our local Key Leadership Conference.
3. June 2: Associational "Send-I-You Clinic"; training for individuals in the local church who have responsibilities in Outreach Ministries. Five conferences for age-groups and for General Officers.
4. September 20: Associational Key Leadership Conference at Newport Baptist, with about 18 attending for Sunday School work training.
5. September 21-22: Regional Sunday School Leadership Conference at Greenville, attended by leadership teams from several of our local churches.

The Associational Sunday School Improvement/Support Team stands ready to assist the churches of the Association with the organization and working of your Sunday School. We earnestly desire that you take advantage of the training opportunities we offer throughout the year. Read the Associational Newsletter to be aware of these events, and by all means let us help you.

ASSISTeam: Adult: Rev. Michael Lee & Rev. Danny Bridges; Youth: Rev. Wint Hale; Children: Rev. Blair Little; Preschool: Mrs. Wanda Eastep; VBS Director: Rev. Michael Oliver; ASSISTeam Director/Sunday School Director: Dave Wilder.

TRUSTEES REPORT

The Trustees have held in trust the property belonging to the Association at 602 Miller Boulevard, Havelock, North Carolina.

We were especially sensitive to the insurance coverage and saw to it that the property was amply covered with replacement value insurance. We were especially gratefully indebted to Mr. Carl Tilghman, Beaufort attorney, for his help and concern on this matter.

On or about the 15th of September, Dr. Joseph Robinson, dentist, whose property adjoins that of the association, made a second request to purchase 25 feet of the frontage property for addition to his facility. He stated that he was in desparate need of it and faced the prospect of having to move his office if suitable sewage facilities were not forthcoming. He made an offer of $4,000.00 for frontage 25 feet. Inquires were made among some of the Real Estate community and it was generally stated that $5,000.00 would be a suitable and fair price. Dr. Robinson was given this information and he consented to the price. The Trustees recommend that this property be sold to him at this price.

I hereby make a motion on behalf of the Trustees that this offer be accepted and the property transfered to Dr. Robinson upon payment of the agreed amount of $5,000.00.

VACATION BIBLE SCHOOL REPORT

This past year has been a great joy for me to serve as our associational VBS Director while working with dedicated and loving team members who served as conference leaders. I express my loving appreciation to them: Adult, Rev. Henry Privette; Youth, Rev. Wint Hale; Older Children, Rev. John Thompson; Middle Children, Rev. David Wilder; Young Children, Mrs. Peggy Stouffer; and, Pre-school, Mrs. Priscilla Morgan.

We were involved in training and supportive work in cooperation with several programs suggested and sponsored by our state and Southern Baptist Convention. They include: N. C. State VBS Clinic on February 23 at the Wilson First Baptist Church; Early Bird Clinic for Pastors and VBS Directors on March 20 at the Associational Center; and an Associational Clinic, April 24 held at the Cherry Point Baptist Church. Mission VBS and Backyard Bible Club Clinics were also held during the year for those churches conducting such activities in addition to their church VBS. A complete statistical report of all clinics and Bible Schools conducted will be available next year at the Associational VBS Clinic.

Reports have always shown that more boys and girls have been won to Christ through Vacation Bible School than any other Bible study organization. Each year in Southern Baptist Churches there are more than 35,000 schools conducted, enrolling more than 3,500,000 with approximately 50,000 professions of faith and 2,000 commitments to church-related vocations.

Truly it is indeed an honor and yet a priviledge to be given the opportunity to serve as VBS Director for our association. I look forward to an even better VBS next year, "but please remember pastors and VBS directors, I need your total support and prayers as we work together to advance our Heavenly Father's Kingdom here on earth through VBS. Please accept my appreciation in advance."

--Rev. Michael Oliver, Director

WOMAN'S MISSIONARY UNION REPORT

"Partnership in Prayer and Ministry," has been the emphasis for Women's Missionary Union this year.

It was designed to help W.M.U. members to:

1. Understand the partnership nature of missions in relation to prayer and ministry.
2. Participate in the partnership of prayer by undergirding Bold Mission Thrust through sustained, informed praying.
3. Participate in the partnership of ministry by responding to opportunities for mission action and personal witnessing.

We here in the Atlantic Association formed partnership in prayer and ministry as we participated in the following:

-Associational W.M.U. Leadership Conferences, October,1983-First Baptist Morehead and River Bend.

-Baptist Women's Prayer Retreat - January, 1984 at the Associational Center.

-Collection of monies to be used for Christmas at North Carolina Correctional Center for Women and Newport Prison.

-Helped with college tuition for an African student attending Gardner-Webb.

-Annual Session with 179 present held at First Baptist Havelock. Theme: "Because He First Loved Us."

-Visited several churches to help begin work in W.M.U.

As we look forward to the coming year, my prayer is we continue our partnership in prayer and ministry through our association, state, convention, and world.

--Respectfully submitted, Kay Kanouff, Director

CONSTITUTION AND BY-LAWS

PREAMBLE

We the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, and Jones, in the State of North Carolina, do propose to establish and maintain the principles, order, and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I--NAME

The Assocation shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II--PURPOSE

It shall be the purpose of the Association to cooperate with the state and Southern Baptist Conventions in the promotion of Christian missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

ARTICLE III--MEMBERSHIP

SECTION 1: The Association shall be composed of cooperating Baptist churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

SECTION 2: The Association shall determine its membership and may receive or reject churches according to the Constitution and By-Laws of the Association.

SECTION 3: Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by the vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4: Any church may be granted a letter of dismissal to unite with another Association by presenting a written request at the Annual Meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation and to support the objects of this Association.

ARTICLE IV--MEETINGS

SECTION 1: The Association shall meet twice each year. On the Thursday and Friday after the fourth Sunday in October, it shall hold an Annual Meeting. On the fourth Thursday in April, it shall meet for the purpose of electing the Associational Officers and Committee members, the transacting of miscellaneous business, and an associational program emphasis. This meeting in April shall be called the Midyear Meeting. Those offices elected at the Midyear Meeting will begin active service at the beginning of the new associational year.

SECTION 2: Special meetings may be called by the Moderator upon written request by any representative group, or by the Executive Committee, provided two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3: Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less than three (3) nor more than ten (10) messengers. In addition to these, the pastors of member churches shall serve as messengers. These shall, along with the Director of Missions, Associational

Officers, Committee Chairpersons, Trustees, and all other persons who are presently serving in an elected position on the Associational level, constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those attending and registering at the time of the Annual and Midyear meetings of the Association.

ARTICLE V--AUTHORITY

It is understood that each affiliated church is independent and sovereign in its own affairs and this Association has no authority over the churches. Relationships are strictly cooperative in practice and advisory in nature.

ARTICLE VI--OFFICERS AND THEIR ELECTION

SECTION 1: The officers of the Association shall be: the Moderator, Vice Moderator, Clerk, Treasurer, Director of Sunday School, Director of Church Training, Director of Woman's Missionary Union, Brotherhood Director, Music Director, Auditor, Historian, Parliamentarian, and Director of Missions.

PROCEEDINGS

Evening Session October 31, 1985

1. Prelude, "No Man Condemns You" by Cynthia Clawson, was presented by the Temple Baptist Choir, Rev. Buford Lewis, Director; Judy Lewis, organist; and Wanda Thomas, pianist.
2. Dr. Charles Nicholson, Moderator, called the Annual Session to order and made a motion that we adhere to the printed program as the agenda for this meeting. The motion was seconded and adopted. The recommendation was then made and adopted that the names of the Registration Committee as presented by the host church be accepted by this body. The names are listed as follows: Margaret Mahoney, Lillian Piner, Nancy Barden, Bobby Lewis, Alice Voorhes, Elverida Lee, and Catherine Edgerton.
3. Rev. John Thompson, Associate Pastor of Tabernacle Baptist Church, led in singing the hymn "He Leadeth Me."
4. Rev. Gary Bishop, Pastor of River Bend Baptist Church, read Exodus 14:10-16 and led in the evening prayer.
5. Rev. William Voorhes, Pastor of Temple Baptist Church, extended a welcome to the messengers and visitors of the Association. He invited everyone to adjourn to the Fellowship Hall for fellowship and refreshments at the close of the session.
6. Rev. Henry Privette acknowledged the presence of all pastors and expressed appreciation for their contribution in the on-going of the work in the Association. He then asked that the new pastors stand and be recognized. The new pastors are Rev. Terry Farmer, Newport Baptist Church, and Rev. David Allen Baker, Calvary Baptist Church.
7. The Director of Missions expressed appreciation to Mrs. Helen Johnson, Interim Secretary, for serving in the unexpected vacancy at the Associational Office. Mrs. Johnson is the wife of the late Rev. George Johnson, former Pastor of Tabernacle, who led his church and other Assocational churches in strong support of the Atlantic Association. Rev. Privette also expressed appreciation that this legacy has been carried on by the present Pastor of Tabernacle, Dr. Jack Hinton. Appreciation was also expressed to Mrs. Rosa Murdock, Secretary of Tabernacle, who assisted Mrs. Johnson in preparing the Book of Reports, and to Mrs. Clyde Cvetko for her untiring efforts in keeping our center attractive and in good order. This is a volunteer service, and one that requires many hours of Mrs. Cvetko's time.
8. The Treasurer's Report was presented by Mr. George Griffin who referred to the written report found in the 1985 Book of Reports. He made mention that the ending balance shown in the report was the best in the history of the Association. He stated that all-in-all we had a good year and had given more to missions than ever before.
9. Dr. Don Hadley referred to the Evangelism Report as found on page 18 in the Book of Reports. The focus of the work this year has been in preparation for Good News America.
10. Rev. John Thompson led the congregation in singing, "Bringing in the Sheaves."
11. Miscellaneous business was the next item on the agenda. The Moderator acknowledged Mr. William J. Clark as Chairman of the Constitution Committee. The Committee had only one request this year, as given in report on page 17 of Book of Reports. The motion was seconded and adopted.
12. Rev. John Wilkinson, Chairman of the Mission Committee, made a motion from that Committee that in light of Rev. Privette's impending retirement on December 2, Mr. Garland Morris be employed as Associational Office Administrator in the time that may exist between Brother Henry's leaving and the time that we have a Director of Missions to assume the responsibility. Mr. Morris is a member of the Cherry Point Baptist Church and very active in the Association. Rev. Wilkinson stated that Mr. Morris was chosen by the Committee after consideration of many individuals. As a part of the motion, the duties of the Office Administrator were listed: supervising office personnel, distributing mail and literature to associational program directors, monitoring the office equipment and supplies, publishing and distributing the Associational newsletter,

maintaining regular office hours from eight until noon and one until four Monday through Friday. Also, to be there for special night meetings, seeing that the building is open and the heat is on and closing up after the conclusion of the meetings, establishing and maintaining an inventory of supplies and equipment, and serving as an ex-officio member of all committees. To be accountable to the Missions Committee and the Executive Committee of the association; working with the officers of the committees as needed, meeting with the pastors for the Pastor's Fellowship; serving as a link between our Association and the state and convention officers. The salary would be $1,000 a month, a figure which is roughly equivalent to two-thirds of Rev. Privette's salary, but not the housing and other benefits. He will serve in the capacity until such time that the Missions Committee brings to the Executive Committee or to this body a recommendation for a Director of Missions. The motion was accepted and adopted.
Rev. John Wilkinson advised that the McCotter Boulevard Mission recently acquired a five-acre tract of land, procured by the First Baptist Church of Newport, and that this mission is at the point of calling a pastor. Listing of other missions and ministries given by Rev. John Wilkinson, Chairman of the Missions Committee, noted that there were many other ministries taking place in all of our churches which have not been reported to the Association. He suggested that we be aware of the various mission activities in our own church and report them. In reference to the resumes submitted for the vacant position of Director of Mission, Rev. Wilkinson urged that the resumes be sent to the Missions Committee until December 15, 1985.
13. Rev. Larrimore, Parliamentarian, made the observation that there was no provision in the Constitution for the position of administrator, although he was in favor of this motion. The Moderator referred the matter to the By-Laws Committee for further consideration. The motion still stood.
14. Rev. Blair Little called on everyone to pray for the recovery of Rev. Joe Coggins' daughter, who is gravely ill.
15. Music message in song was presented by the choir of the host church.
16. Rev. Charles Allard, Pastor of First Church, Morehead City, brought the message of the evening. His sermon was entitled, "Compassion For Souls."
17. The prayer of benediction was led by Dr. Charles Nicholson.

Respectfully submitted, Helen Johnson, Clerk

REPORT OF THE RESOLUTION COMMITTEE

Whereas, the North Carolina Atlantic Baptist Association held its one hundred and second session in the spirit of Christ and to the glory of God, faithfully executing its theme "Good News America, God Loves You";

BE IT RESOLVED:

1. That Atlantic Baptist Association expresses its sincere thanks to our Moderator, Dr. C. P. Nicholson, and Vice Moderator, Dr. Jack Hinton, for the fine manner in which the business of this Association has been conducted.
2. That an expression of sincere gratitude be conveyed to all who had a part in the fine program--Rev. Charles Allard and Rev. George Shore for the inspiring messages; Rev. John Thompson, and those who worked with him, in providing inspiring music which created a worshipful atmosphere for our meeting; to all those who presented the informative reports on our Associational and denominational work.
3. We express our heartfelt thanks to the host churches--Temple Baptist Church and First Baptist Church of Beaufort--for the excellent manner in which they provided for the comfort, care, and worship environment enjoyed by those attending these meetings.
4. That the Program Committee, with Dr. Jack Hinton as Chairman, be commended for their dedicated effort and the excellent program presented this year.
5. That we express our appreciation to Rev. H. A. Privette, Director of Missions, for his faithful efforts in guiding the mission endeavors of Atlantic Baptist Association for these nearly 23 years.
6. That a special word of thanks be given to Mr. George Griffin, our Treasurer, for his many hours of careful attention to the receipt, disbursement, and accounting for the funds of our Association.
7. That we acknowledge and commend the faithful service of Mrs. Helen Johnson, our Associational Secretary.
8. Appreciation is expressed to Mrs. Clyde Cvetko for voluntary custodial care in the Baptist Associational Center Building.
9. Finally, we resolve that our Association shall renew our commitment to Jesus Christ; cultivate our compassion for lost souls; unite our hearts and minds in Christian love and fellowship; and give our full and complete attention to the upcoming "Good News America, God Loves You" revival efforts and that lost souls be won for the glory of God. To this end may we unite in a common purpose.

Respectfully submitted, R. Blair Little, Chrm.,
Rev. Jack Franks, and Mr. Lester Turnage

14. In the absence of Rev. Michael Lee, Chairman, Mrs. Clyde Cvetko read the names from the book of Reports of those departed loved ones as listed on the Uniform Church Letter. A motion was made to accept the report. The motion was approved after a proper second.
15. In the absence of Rev. Joe Larrimore, Rev. Bennie Pledger presented the Report of Ordination. Rev. Barry Jordan of Temple Church and Rev. Ron Curley of Cape Carteret Church were recommended to the requesting churches for ordination. A motion was made that this report be accepted. A proper second was made to this motion and approved.
16. In behalf of Rev. Joe Coggins, Chairman of the Budget and Finance Committee, Mr. George Griffin, Treasurer, presented the report of the Budget and Finance Committee. He referred to the report on page 35 of the Book of Reports and made a motion for the adoption of the budget as proposed. This motion was adopted.
17. Rev. H. A. Privette congratulated the Atlantic Baptist Association for the progress that has been made in the adoption of a budget above $90,000.00 for the coming year. He noted the adopted budget reflected the growth of concern for missions throughout our association. He mentioned the on-going mission effort now includes four missionaries: a man and wife who serve in the unusual mission opportunity of mobile home ministry in special resort areas; one missionary among the Orientals and one among the Hispanics. A motion was made that this report be adopted. It was adopted after a proper second.
18. Dr. Nicholson reviewed the events of significance which took place at the night session in the Order of Business. Mr. Garland Morris was elected as Interim Administrator and Mrs. Helen Johnson was elected as Clerk for this Annual Baptist Association Session.
19. Miss Rebecca Carmody brought greetings from the Baptist Children's Homes of North Carolina. During this 100th year of quality child care, the trustees, staff, and president, Michael C. Blackwell, pledge anew their commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring. She reported that during the Centennial year, 1,517 children and 1,167 families were served. She presented a book entitled "Southern Baptists--A Hundred Years of Caring", written by Dr. Allen Keith-Lucas, to the Director of Missions in appreciation for the 23 years he has served Southern Baptist as Director of Missions in the Atlantic Baptist Association.
20. Rev. Bennie Pledger spoke to the Report of Baptist Colleges. As Trustee of Chowan, he brought greetings from this college. There was also a representative from Campbell College who expressed his desire for all present to encourage our Baptist youth to take advantage of the opportunities available at our Baptist colleges.
21. Mr. Calvin Knight, Director of Church and Community Relations, spoke to the Baptist Hospital Report. He stated that two phrases characterize the care provided at Baptist Hospital - "high tech" and "high touch." "High tech" refers to the hospital's determination to bring the latest and best in medical technology to the care of its patients. Several illustrations of new technology in use were cited. "High touch" speaks of the continuing commitment to maintain warmth and understanding in caring for patients and their family members. Both of these characteristics are attempts to fulfill the stewardship which grows out of the hospital's Christian heritage and denominational tie.
22. Rev. James Saul, Director Denominational Relations, spoke to the Report of Baptist Retirement Homes of North Carolina, Inc. For over 34 years, North Carolina Baptists have been ministering to older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works--providing security and hope in the midst of sincere concern and love, bringing about the possibility for abundant life, one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes. Our mission is to continue providing the most important dimension to meeting the needs of older adults--Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care is provided of which we know you would be proud.
23. Dr. Jack Hinton recognized Rev. Henry Privette, who is retiring as Director of Missions of the Atlantic Baptist Association after 23 years of service. He expressed appreciation and love of the members of the Association for the faithful service Henry and Mrs. Privette have rendered in this Association.

24. Rev. John Wilkinson, Chairman of the Missions Committee, presented Mr. Privette with a plaque citing the years of service to this Association.
25. Mr. George Griffin, Associational Treasurer, presented both Mr. and Mrs. Privette with checks coming from the churches in the Association as a love gift of appreciation for all they have meant to the churches and the members thereof.
26. Rev. John Wilkinson introduced the guest speaker, Dr. George Shore, who is serving as Director of Associational Development of North Carolina Baptists. Dr.Shore brought a challenging message taking his scripture text from 1 Peter 2.
27. The prayer of benediction was offered by Rev. Bill Parker, Pastor of the Marshallberg Baptist Church.

Respectfully submitted, Mrs. Helen Johnson, Clerk

CHURCH TRAINING REPORT

Church Training activities for the Association during 1984-85 began with Associational "M" Night on November 26, 1984, with 123 in attendance from eight (8) churches. Temple Baptist Church was the host church and also received the banners for the Greatest Number Attending and Highest Percentage Attending.

The Associational Children's Bible Drill was held on April 13 at the Associational Office in Havelock. Seven children participated: Chris Noe and Jonathan Barnes from Calvary Baptist, Beaufort; Kristi Hale, Tina Lloyd, Steven Gibson, Gregory Gibson, and Dennis Tyndall, Temple Baptist, New Bern. All qualified for the regional drill, which was held on May 4 in Clinton. They all were winners.

On March 21 a regional workshop was held for youth workers. The workshop was held in New Bern and conducted by workers from Nashville and Raleigh. Approximately 20 attended from the Region and Association.

It is felt and hoped that all churches in the Association have some form of training for their members, even though there is no formal Church Training Program in all churches. Interest has been expressed by Calvary and Temple in the Youth Bible Drill and the Youth Speakers Tournament and it is hoped that these areas will have participants in 1985-86.

Nancy R. Barden, Director

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

The larger future of Stewardship in the churches includes training individuals in the Biblical Foundation for bold living and giving.

The strength of Southern Baptists remains closely related to the cooperation of the churches in a giving program to all causes supported by the Convention through the Cooperative Program.

We have much to do in both areas: the area of Biblical Foundations for Stewardship and the Cooperative Program.

The Atlantic Association promoted with the Stewardship Division of Baptist State Convention of North Carolina a Stewardship Seminar in April 1984 at Holiday Inn, New Bern. Dr. Talmage Williams was the leader. These are good times for pastors to be involved.

A good celebration year in Stewardship to all the people of all the churches in the Atlantic Baptist Association.

Bennie F. Pledger, Director, Cooperative Program and Stewardship

DIRECTOR OF MISSIONS REPORT

This year has been given over almost entirely to missions outreach, evangelism and discipling. One half of the churches voted to enter the Good News America Revival Campaign March 9-16, 1986. Our deepest longing was to make it 100%. Churches that do not join the revival effort will miss great blessings.

We have tried to stress discipleship training. Most of the churches now use the Survival Kits in training new converts to face a heartless and cruel world. Response to training centers has not been very good and we feel this must become a personal matter with each church with the pastor serving as "equipper" and either doing the training at various times or enlisting some capable person within the church or outside the fellowship to accomplish it. Training can be arranged at any time in the local church; however, we suggest that the worship service remain the central activity of the church. Many churches are using the Equipping Centers loaned from the Associational Center or buying their own for continuous use over and over.

Churches must accept responsibility for training disciples in all activities of leadership as well as life style. Life style is important in a world that is fast losing the meaning of ethics and morality. Young people need to be exposed to the dangers of drug addiction and other destructive forces and trained in the values and meaningful blessings that follow dedicated Christian principles.

We had no migrants this year. We did have seven churches that led in mission services at local campgrounds on the coast.

One mission was started by the Newport Church. A Japanese ministry was begun with a full time leader, Mrs. Sumiko Sidelinger, and also, a Hispanic ministry led by Rev. Evan Johnson. These groups meet weekly. Several professions of faith have been registered with persons following with baptism and church membership.

Figures from church letters concerning increases and decreases in baptisms are not available at this time. Missions have been the heart of this ministry and, although not always popular or received cordially, will remain so.

Respectfully, H. A. Privette, Director of Missions

EVANGELISM REPORT

The focus of the work of the Evangelism Committee this year has been preparation for GNA (Good News America). A GNA Steering Committee has been elected, the membership of which is as follows:

Name	Position
H. A. Privette	Coordinator
Don Hadley	Evangelism Chairman
Jack Hinton	Enlistment Chairman
Charles Allard	Publicity/Media
John Thompson	Music Chairman
John Wilkinson	Pastor Fellowship
Michael Oliver	Spiritual Preparation
Associational Office	Records

In addition, the Chairman of the Evangelism Committee attended a Lay Evangelism School training seminar at Caraway, and received certification. This certification was then used to the benefit of the Atlantic Baptist Association when a LES for the Association was offered September 9-10 with fourteen churches represented. Those receiving this training have been encouraged to conduct similar training in the local churches where they serve.

Recruitment for the GNA simultaneous revivals now stands at twenty eight. Letters have been mailed to all associational churches recommending the following specific stops in preparation for GNA:

1. Your church should have already voted to participate in the GNA campaign, which means essentially that you agree to schedule a revival meeting March 9-16, 1986.
2. You should have secured a preacher for this revival meeting.
3. Presently, you should develop a plan for witness training. A Lay Evangelism School is recommended. These witnesses will then be available for the GNA People Search.
4. You should have scheduled a People Search/Scripture Distribution Day during the week of October 20-26.
5. You should then plan to cultivate all prospects discovered during the People Search during the time between their discovery and the simultaneous revival dates of March 9-16, 1986.
6. You should lead your church to budget sufficient funds for a $1.00 per active resident member voluntary assessment to be used for local publicity, and mail a check for these funds to the Associational Center no later than February 1, 1986.
7. We all should pray that God will choose to bless these efforts dedicated to Christ and the evangelization and discipling of America.

Respectfully submitted, Donald Hadley, Director

EXECUTIVE COMMITTEE REPORT

Four meetings were held by the Associational Executive Committee during the past year. Some of the highlights of these meetings and actions taken are as follows:

January 14, 1985, Meeting: Rev. Henry Privette introduced the new Moderator, Dr. Charles Nicholson. The Building and Grounds Committee was authorized to purchase a copier for the Associational office. The committee was also to investigate the feasibility of buying a projector and the cost involved. The Executive Committee, on a recommendation from the Missions Committee, voted to call Rev. Evan Johnson as associational sponsored minister to Spanish speaking persons, and that Sumiko Sidelinger be called as associational sponsored lay-minister to the Japanese of the association. Rev. Privette promoted the "1986 Good News America" revivals, seeing this as an opportunity for the association to reach many unsaved people for Christ.

March 25, 1985, Meeting: Dr. Charles Nicholson, Moderator, presiding. Rev. Privette reported that a projector had been purchased for the Association. No new business was discussed, but reports were given by organizational heads. Kay Kanouff expressed appreciation for the excellent program planned by Rev. Jamie Norris for Youth Night, and the Executive Committee voted to send him a letter of appreciation for his good work.

June 24, 1985, Meeting: Dr. Jack Hinton, Vice Moderator, presiding. Approval was made by the committee to print the Annual Book of Minutes in larger print. Sumiko Sidelinger announced that the Executive Director of the WMU of Japan would be at the Associational Center on July 5th. Rev. Larry Davis asked pastors to help supply one more ASSISTeam member for the association in the coming year. Rev. Terry Farmer gave report on progress of the Newport Mission, at that time meeting at Associational Center on Sundays for services and prayer meeting on Thursday. Motion made and passed to add 20% to item "F" in budget for traveling expenses incurred by workers in the association.

September 30, 1985 Meeting: Dr. Jack Hinton, Vice Moderator, presiding. Organizational reports were given. Rev. Joe Coggins was approved to be Chairman of Membership Committee. Rev. Henry Privette presented his letter of resignation as Director of Missions, effective December 2nd. The Executive Committee reluctantly accepted his resignation. It was decided that he would have an option of taking the month of December as vacation time, since he had lost vacation time during his years of service. The Executive Committee further decided to pay Rev. Privette his full salary through the end of the year.

Respectfully submitted, Dr. Jack Hinton, Vice Moderator

HISTORIAN'S REPORT

Most of us have a tendency to relate the word "history" to something that happened 100 years ago, which it can; but, history can and is what we did yesterday, last week, last month, and last year.

As Baptists in the Atlantic Baptist Association, you can be encouraged by the advancement made in all areas of work within the association this past year.

The major emphasis for 1984-1985 was evangelism with special focus on the Good News America Revivals to be held in 1986.

A ministry to the Orientals and the Hispanics is now on-going in the Havelock area and two workers were secured with help from the State Convention. Evan Johnson leads the Hispanic work and Sumiko Sidelinger works with the Orientals, especially the women.

The Association supported the Newport Baptist Church in getting a mission started in Havelock.

Mr. Tom Watson of the Pollocksville Baptist Church and Mr. Fred Bertram of Calvary Baptist Church volunteered and was sent to Togo as a mission volunteer.

The Associational WMU had a very busy and productive year. Attendance at the Annual Leadership Conference for WMU leaders in the churches was 119 and the Annual WMU Meeting registered over 209 at the meeting. The churches took up throughout the year an offering to be used to purchase tools and equipment for Togo. When the offering was turned in, they had collected $1,311.67. Seven new WMU organizations were formed during the year. The highlight of the year was the Associational WMU Bus Tour. This was a tour of the churches. The tour is to visit all the churches in the Association and learn a little of their history. There have been two tours and several more are planned.

Other organizations within the Association were always on call to help the churches as needed.

The Association turned the final page in another chapter of its history. Rev. H. A. Privette, Director of Missions for 23 years, resigned. Space does not permit to list the many accomplishments during that time. The Association grew numerically and financially but the biggest accomplishment was its growth in mission awareness. New mission projects with migrants, Mission VBS, campground ministries, etc., were established throughout the years. There was always the constant motivation to reach out to the people in this area. The ministry of Rev. Privette was long but very productive. The Association extends to Rev. and Mrs. Privette best wishes as they begin the transition into a well-deserved retirement.

The Missions Committee will now begin the long and tedious task of seeking a new Director of Missions. They covet the prayers of the entire Association.

The churches of the Association were actively involved this past year in reaching out to the people in Beaufort, Pamlico, Craven, Jones, and Carteret counties. Some of the activities shared with me were as follows:

BEAUFORT FIRST - Rededicated church after fire; observed 134th anniversary.
BOGUE BANKS - Organized into church on May 26, 1985. Rev. Allen Schuyler called as full-time pastor in January 1985.
BROAD CREEK - Ordained the first deacon of the church.
CALVARY - Sent Fred Bertram to Togo; new parsonage.
CAPE CARTERET - Ordained first minister ever by this church - Ronald Curley.
CHERRY POINT - Ordained James Wilder, deacon; new educational building.
COLONY - Celebrated 10th anniversary. Installed new pews and carpet in sanctuary.
COVE CITY - Dedicated new communion service, piano, and organ.
MOREHEAD FIRST - Constitution of First Baptist Island Mission to Bogue Banks Baptist Church on May 26, 1985.
NATIONAL AVENUE - Observed 30th anniversary; began Children's Church and licensed Billy Wright to the gospel ministry.
NEW BERN FIRST - Completed renovation of sanctuary; observed 175th anniversary.
NEWPORT - Licensed Harvey Sharpe for the gospel ministry; Church Directory published; organizational meeting for McCotter Boulevard Mission held on February 22, 1985.
ORIENTAL - Installed baptismal pool.
REECE'S CHAPEL - Licensed Bruce Cannon to the gospel ministry.
RIVER BEND - Fastest growing church in the association; gain of 87% in one year.
SMYRNA - Observed 155th anniversary.
TEMPLE - Paid off debt on educational building; celebrated 30th anniversary; mission project in West Virginia.
VICTORY - Laid foundation for new fellowship hall.

As Historian, the biggest question presented to me this year has been concerning the publication of the Association History. To my knowledge, the book will be printed but due to circumstances beyond our control, the date of publication is indefinite at the time of this printing. The date of publication will be given to you as soon as we know it.

I appreciate your cooperation and your patience.

Respectfully submitted, Mary Jane Wright, Historian

MEDIA LIBRARY REPORT

TACMO (The Associational Church Media Organization) had four meetings this year. Two very important books were taught; a new book on how to process books was taught by Mrs. Gail Edge in February. Then Janet Freeman, Librarian at Campbell College, taught the new book on classification in May. These courses were much needed and of much benefit to those who came. Our regret is that more of our church librarians are not taking advantage of these opportunities.

We also enjoyed visiting two of our churches and showing a filmstrip, a skit, and a question and answer period about the Church Media Library. At our August meeting we learned new ideas about making audio-visuals, lettering posters and bulletin boards. Fellowship, the exchange of ideas, and encouragement are important needs of Church Librarians.

Eight of our churches have been represented at our TACMO meetings. Is your church one of them?

Respectfully submitted, Marion Taylor, TACMO Director

MEMBERSHIP COMMITTEE

The Membership Committee has followed the progress of the Bogue Banks Baptist Church and found it to be solidly based on scriptural qualifications, sound in faith, cooperative in spirit and attitude and behavior toward the Baptist State Convention, the Southern Baptist Convention, and the Association. It is progressive and sound.

The church came under the watchcare of the Association more than a year ago and made application for membership in the Association. After thorough examination, it is our recommendation that the church be unanimously accepted into the fellowship of the Association with all privileges and opportunities of any other church.

Respectfully submitted, Rev. Bill Voorhes, Acting Chairman

MISSIONS COMMITTEE REPORT

This past year has been an eventful one for your Missions Committee, and for the Atlantic Baptist Assocation. Let me briefly share some of the events and accomplishments of the year with you.

Our Association has joined with First Baptist of Newport in their beginning a new mission church in Havelock. In the early stages of development, the new mission used the Associational Center for a meeting place. The Association is also providing financial assistance.

Two language works were also started and are being financially supported by your Association. Sumiko Sidelinger is working with Orientals, especially the women, and Evan Johnson is working with Hispanic people. Both of these ministries are centered in Havelock for the present but are reaching out into other areas of the Association as opportunity presents itself.

Let us remember that missions are everyone's responsibility. Our Lord challenged us to "Lift up your eyes, and see how the fields are already white for harvest." (John 4:35)

Respectfully submitted, John D. Wilkinson, Chairman

MUSIC REPORT

Music is very important in the life of a church. Imagine a wedding, funeral, worship service, or even Sunday School assembly without a little bit of music. It would be a little on the dull side. Music during the worship service is designed to enhance the message. All of the music should be planned to lead toward the learning experience of the message. Together with the message, the music should all lead to the time of decision. This is the most important part of the service. It is the time that we as Christians can feel the Holy Spirit at work. If we have an invitation hymn that no one knows...too much attention will be given to the book instead of making decisions for the Lord.

The only associational workshop during the year was one held with the seven "down East" churches. This was very successful with a very good attendance. One night was for choir directors and musicians and one night for the entire choir. We can arrange more of this if you feel there is a need for such. Please feel free to contact me whenever you have a suggestion for the associational music program.

Musically yours, John Thompson

ORDINATION COMMITTEE REPORT

During the year 1984-85, it was our privilege to examine Barry Jordan by request of Temple Church, New Bern, and Ron Curley by the request of Cape Carteret Church. Both of these gentlemen had been called to churches. Mr. Jordan to Roy, Utah, and Lt. Curley to Neuse River Church. We found them both well grounded in the faith, theologically sound, and spiritually exceptional. We therefore recommended them to the requesting churches for ordination.

Respectfully submitted, J. S. Larrimore, Chairman

SUNDAY SCHOOL REPORT

The ASSISTeam (Associational Sunday School Improvement Support Team) of the Atlantic Baptist Association continues with their dedication to helping the churches of the Association to reach as many people as possible for Bible study. church membership, and most importantly, for our Lord. We affirm that the Sunday School is the primary outreach arm of the church, not simply one of the many organizations within the church.

This past year we have had two ASSISTeam training conferences; and an Effective Workshop Conference designed to promote more effective worker enlistment and training for the Sunday School of the local church. We recently welcomed a new ASSISTeam Director/Sunday School Director for the association. We welcome Rev. Larry Davis of the Atlantic Baptist Church in this capacity.

The ASSISTeam stands ready to assist the churches of this great Association with the organization and working of your Sunday Schools. We earnestly desire that you take advantage of the training opportunities that shall be offered throughout the new church year. You will be informed of these events by articles in our Associational newsletter; and we hope you will take advantage of each opportunity.

Respectfully submitted, Rev. David Wilder, Sunday School Director

TRUSTEES REPORT

The trustees have held the property of the Association located at 602 Greenfield Heights, Havelock, North Carolina in trust for the Association during the year past. We have seen to it that any necessary repairs have been made, the yard well kept, and the equipment adequately maintained.

The conference room was used by the McCotter Boulevard Baptist Mission for several months while other arrangements were being made. The first meeting of the mission was held in the building.

Several community service organizations have held meetings in the conference room. These were non-church connected but only groups which serve the community are permitted to use the building for meeting purposes.

Respectfully submitted, Roger Bell, Chairman

VACATION BIBLE SCHOOL

It is always a joy to serve in a position with other dedicated Christians in which more boys and girls have been won to Christ than in any other Bible study organization.

I want to express my appreciation once again to those who have served as conference leaders and assistants this past year: Rev. Henry Privette, Rev. Gary Bishop, Rev. Wint Hale, Rev. John Thompson, Rev. David Wilder, Mrs. Nancy White, Dr. Jack Hinton and his daughter, Mrs. Sharon Bender, and Mrs. Cheryl Oliver.

We were involved in training and supportive work in several programs sponsored by our state convention and Southern Baptist Convention to offer help and instructions for a successful local church Bible school, missions VBS, and backyard Bible schools.

It is my prayer that we will have better attended and supported work for the benefit of the churches in the Atlantic Association.

Prayerfully yours, Michael R. Oliver

WOMAN'S MISSIONARY UNION REPORT

"My Children, our love should not be just words and talk; it must be true love, which shows itself in action." 1 John 3:18 TEV

The emphasis for Woman's Missionary Union for this year has been "By Love Compelled." It was the goal of the W.M.U. to inform, inspire, and involve men, women, boys, and girls in ministry and witness as a part of their everyday lives.

Throughout the year the following meetings and projects were conducted, all keeping in mind this goal:

Assocational Key Leadership Conference - 1984

Associational W.M.U. Leadership Conference - October 1984, Tabernacle Baptist - 119 in attendance.

Baptist Women Prayer Retreat - January 1985 - Cherry Point Baptist - Mrs. Bea McRae, President W.M.U. of North Carolina, guest speaker.

Down East W.M.U. Workshop - February 1985

TOGO Emphasis Night - Tabernacle - February 1985

Annual Session with 209 plus present - New Bern First - Ms. Nancy Curtis, Executive Director W.M.U. of North Carolina, guest speaker.

Collection of monies to be used for Christmas at North Carolina Correctional Center for Women in Raleigh.

Special TOGO Offering received $1,311.67 sent to purchase stove, refrigerator, seeds, and other needed equipment in Togo, Africa.

A portion of our Annual Session offering was given to Tom Watson, from Pollocksville, who went to Togo as a volunteer.

At least 7 new W.M.U. organizations were formed.

Our prayer is that more people will become involved in missions and that more needs will be met. We rejoice together that " God so loved the world" and that He loves the world through us.

Respectfully submitted, Kay Kanouff, Director
